Where's Unimportant Daniel Shortell, 2011-05-02 Jack Addington is stuck A carefree life wandering the globe has morphed into a monotonous existence working for an oppressive Manhattan based software company peddling products which destroy the lives of decent people Jack struggles through soul sucking affairs with despotic executives and eccentric scientists by mentally projecting himself out of the present and into past adventures Avoidance however is temporary and it does not take long for his overly medicated mind to lose perspective causing him to act increasingly irrational in a brutally rational world Jack attempts to reconnect to reality through the guidance of a colorful group of advisers but a bleak situation continues to spin out of control despite his best efforts Ultimately for Jack a slice of contentment is found only when luck stands amid the rubble of his failed attempts at perseverance Sharply satirical funny and painfully honest *Where's Unimportant* is a snapshot of one man's failed attempt at the American Dream [Nevea \(English edition\)](#) Elias J. Connor, 2024-04-14 What happens when the boundaries between reality and dreams suddenly blur When the feeling of certainty is lost and the world around you becomes unrecognizable *Nevea* Muller 16 years old and blessed with rich parents lives a life in a suburb of Los Angeles where she is despised by her classmates because of her wealth and is considered conceited But one evening she receives a mysterious message tersely worded with the words When are you coming and before she knows it she finds herself in an eerie place a labyrinth of dark corridors and hallways It's not until the next morning that she realizes that this may have been just a dream but the details become blurry Since that night the dreams have returned each time more clear and threatening *Nevea's* reality threatens to fade as she seems to drift deeper and deeper into her own mysteriously dark world Can her classmate Joey and the mysterious girl Luna shed light on the darkness and help *Nevea* before she becomes completely lost in her shattered reality *NEVEA* is a dark psychological thriller with a touch of dark fantasy that tells the story of a girl who threatens to get lost between dreams and reality [Where Is Science Leading Us?](#) Lars Jaeger, Michel Dacorogna, 2024-01-02 This book charts the evolution of the sciences and technologies that have shaped our modern age like nothing else in the last 60 years As well as describing many exciting developments it will also highlight the challenges and dangers of the technologies that have emerged from them While science and technology have brought about enormous and often astonishing improvements in our quality of life they have often also brought with them considerable risks including the risk of human extinction We place particular emphasis on the aspects that directly impact us as human beings Artificial Intelligence AI enhancements of our brains minds through innovative neuro technologies and the integration of nanotechnology into our bodies for early disease detection and elimination What philosophical implications arise from these transformations Authored by two theoretical physicists who are also experts in economics and capital markets a rather rare combination the book will explain the developments of modern science and the resulting technologies It also examines the current state of play and emerging developments in a manner accessible to non

scientists Based on their own experience and the analysis the authors also propose ways in which science can progress more harmoniously in future *What and where is God?* Richard La Rue Swain,1920 *Useless Miracle* Barry
