shown me I don't know if I can claim to love you but compared to those who have meaninglessly spouted that word you have shown me more love than all of them combined She pauses a little while in thought then says Doug I would like to point out some proof of what I was saying about how you treat me and how special that makes me feel compared to all of the other men I've had to endure Oh Yes Here I am sitting within your reach for a long time while I'm only wearing a thin nightgown and you haven't made a single attempt to touch me more than to hug and kiss me He hesitates then says I'm just trying to treat you like I think a woman ought to be treated so I don't see how that makes me special I suppose another way to look at it is that I'm trying to treat you in a manner similar to how I would want to be treated if our roles were reversed Her eyes widen in surprise at that idea then she nods her head as she responds That makes a lot of sense and I greatly appreciate that you feel and think that way But let me assure you men do not treat women with respect courtesy and gentleness at least from my experience

The Color of Kink Ariane Cruz, 2016-10-04 Winner of the MLA's 2016 Alan Bray Prize for Best Book in GLBTQ Studies How BDSM can be used as a metaphor for black female sexuality The Color of Kink explores black women's representations and performances within American pornography and BDSM bondage and discipline domination and submission and sadism and masochism from the 1930s to the present revealing the ways in which they illustrate a complex and contradictory negotiation of pain pleasure and power for black women Based on personal interviews conducted with pornography performers producers and professional dominatrices visual and textual analysis and extensive archival research Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power Drawing on feminist and queer theory critical race theory and media studies Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality Illuminating the cross pollination of black sexuality and BDSM The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality
