

Summary

Written by Lauren St. John and published in 2006, *The White Giraffe* is the first book in the *Legend of the Animal Healer* series. It tells the story of orphan Martine Allen, who goes to live with her grandmother in Cape Town, South Africa after her parents' tragic deaths. Her grandmother lives in a wildlife sanctuary called Sawubona. As Martine wrestles with losing her family and adapting to life on another continent, she learns the value of finding friendship in unlikely places and discovers the power to change her life and the lives of others for the better. St. John is also the author of *The One Dollar Horse* series, the *Wolfe & Lamb* mystery series, and the *Laura Marlin* mysteries. Before becoming an author, St. John was a sports and music journalist. One day while walking down the street, she had a vision of a girl tending a giraffe, and thus *The White Giraffe* was born, along with the beginning of her career as a novelist. St. John grew up on a game reserve called "Rainbow's End" in Rhodesia (now Zimbabwe). Along with a bevy of other domesticated and "exotic" animals, St. John had a pet giraffe, and her formative experiences of being immersed in the natural world heavily influenced her writing. St. John supports many conservationist organizations, such as Born Free Foundation and Made Chance Animal Sanctuary, and she is the founder of authors4oceans.org, which encourages the elimination of single-use plastic.

Plot Summary

On the night of Martine Yancey's 11th birthday, she dreams that she heals an injured goose with the supernatural heat of her hands. She awakens from the dream and realizes that her house is on fire and she can't escape her room. After using a bed sheet to escape through the window, Martine watches helplessly as her home burns to the ground before her parents can escape. She spends the next few days in grief before learning that her only living relative, her grandmother Gwyn Thomas (whom Martine has never known), will become her guardian. Gwyn lives in Cape Town, South Africa, on a game preserve called Sawubona. Though she is unhappy in her English boarding school, Martine is not thrilled at the idea of moving to South Africa, and a letter from her grandmother stating that she didn't know she would become
