Investing Megatrends 2020: Beginners Guide to Earning Lifetime Passive Income with Small, Safe Investments in Marijuana Stocks, CBD, REITs, Gold and Cryptocurrency Stephen Kennedy, 2019-07-04

How I Make Money in Trading - and How You Can, Too! Vijay Gupta, 2019-06-19 REVEALED The money making methods of a medical doctor turned a successful trader Like millions Dr Vijay Gupta began investing in the stock market hoping to increase his income and wealth Like millions he ran into early losses Unlike others who give up he taught himself how to make money in the stock market and created his own trading system which has made him consistent profits for more than a decade of market ups and downs This book reveals his secrets in his own words Actually there is only one secret knowledge An individual trader should not consider himself disadvantaged because of small capital But if his market knowledge is limited then he is indeed vulnerable I was not satisfied with methods which required too many subjective judgements I came to realize that to be successful traders must have a simple mechanical system of trading I have made consistent profits over a long period using the mechanical trading system I have revealed in this book My trading income has now surpassed my income from medical practice That is what I had aimed for It has come true I believe my trading system is the best It works for me and might work for you too You can also easily adapt my system to suit you style That s why I wrote this book so that you too can make money from trading

Forex for Beginners Adam Kritzer, 2013-02-03 Backed by a comprehensive list of studies this book is a brilliant contribution on the connections between exchange rates and economics Francesc Riverola CEO and Founder of FXstreet com Adam Kritzer has been covering the forex market for years as a prominent but accessible industry expert In a market sector full of pitfalls for the novice this book will help many new traders avoid costly mistakes and get started on the path to success Andy Hagans Co founder of ETF Database Adam Kritzer is not only one of my favorite forex writers but also one of the best This book will likely become required reading for those getting into the forex market Zachary Storella Founder of CountingPips com *Forex for Beginners A Comprehensive Guide to Profiting from the Global Currency Markets* is a guide for those who want to earn extra income trading currencies without committing large amounts of time or money This book will introduce global investors to the basics of forex foreign exchange trading and provide them with a solid framework for analyzing currencies and

profiting from their fluctuations Topics covered include the forces that cause exchange rates to fluctuate an overview of the mechanics of trading analytical and forecasting tools how to profit from pricing trends and common pitfalls that often ensnare traders While most books make grandiose promises of instant success and large profits Forex for Beginners represents an alternative approach to investing in forex The forex market is dominated by institutional capital and algorithmic trading making it unrealistic to think that day traders can beat the market by relying on charts and technical indicators alone Thus the emphasis here is on fundamental analysis using economic concepts to spot currency misalignments and staking out positions to profit from them over a period of weeks and months If you re eager to tap into the world s largest financial market on a part time basis this is the book for you You will gain an understanding of how currency markets work and use this knowledge to generate income
