Tell Me I Can T And I Will

**George Frederick Shrady, Thomas
Lathrop Stedman**

Tell Me I Can T And I Will:

Tell Me I Can't...and I Will Daniel Horgan,2014-10-28 Remember when you were a child and were told that you couldn't do something Hearing those words fueled your desire to do it even more As we get older we tend to take those words personally and fall victim to believing that we are not smart enough or that we do not have the right skills It's time to stand up with confidence and tune out the naysayers The authenticity that you bring to life at school at work and in your relationships is the greatest gift you can give yourself and others It will propel you towards your dreams and convince you to rise up when you fall Stand still and you will go nowhere If change is what you are after then you must spark a movement in your mind that is energized by your heart and soul We are at a breaking point There are no more excuses Be restless Tell me I can't and I will
