I Talked with a Zombie Tom Weaver, 2009-01-23 I talked with a zombie it DOES seem like an odd thing to say But for more than 25 years Tom Weaver has been chatting up zombies and many other vintage movie monsters along with the screenwriters producers directors and actors responsible for bringing them to life In this compilation of interviews 23 more veterans share their stories strange frightening and even a little funny this time with an increased emphasis on genre television series courtesy of the stars of The Time Tunnel Rocky Jones Space Ranger Tom Corbett Space Cadet Planet of the Apes and The Wild Wild West The many other interviewees include Tandra Quinn Mesa of Lost Women Eric Braeden Colossus The Forbin Project Ann Carter The Curse of the Cat People Laurie Mitchell Queen of Outer Space and monster music maestro Hans J Salter **Irwin Allen Television Productions, 1964-1970** Jon Abbott, 2015-06-14 Before establishing himself as the master of disaster with the 1970s films The Poseidon Adventure and The Towering Inferno Irwin Allen created four of television s most exciting and enduring science fiction series Voyage to the Bottom of the Sea Lost in Space The Time Tunnel and Land of the Giants These 1960s series were full of Allen s favorite tricks techniques and characteristic touches and influenced other productions from the original Star Trek forward Every science fiction show owes something to Allen yet none has equaled his series pace excitement or originality This detailed examination and documentation of the premise and origin of the four shows offers an objective evaluation of every episode and demonstrates that when Irwin Allen s television episodes were good they were great and when they were bad they were still terrific fun

To Boldly Go Djoymi Baker, 2018-03-06 Today s media cinema and TV screens are host to new manifestations of myth their modes of storytelling radically transformed from those of ancient Greece They present us with narratives of contemporary customs and belief systems our modern day myths This book argues that the tools of transmedia merchandising and promotional material shape viewers experiences of the hit television series Star Trek to reinforce the mythology of the gargantuan franchise Media marketing utilises the show s method of recycling the narratives of classical heritage yet it also looks forward to the future In this way it reminds consumers of the Star Trek story s ongoing centrality within popular culture whether in the form of the original 1960s series the later additions such as Voyager and Discovery or J J Abrams reboot films Chapters examine how oral and literary traditions have influenced the series structure and its commercial image how the cosmological role of humanity and the Earth are explored in title sequences across various Star Trek media platforms and the multi faceted way in which Internet video game and event spin offs create rituals to consolidate the space opera s fan base Fusing key theory from film TV media and folklore studies as well as anthropology and other specialisms To Boldly Go is an authoritative guide to the function of myth across the whole Star Trek enterprise *An Analytical Guide to Television's One Step Beyond, 1959-1961* John Kenneth Muir, 2010-06-21 Alcoa Presents One Step Beyond made its television debut in 1959 nine months before Rod Serling s classic The Twilight Zone and paved the way for a

generation of television programs devoted to paranormal topics such as the occult ESP and ghost stories One Step Beyond was also where some of Hollywood's most famous leading men including Warren Beatty William Shatner and Charles Bronson got their starts in television This complete reference work to the 96 half hour episodes that ran for three seasons on ABC also offers a detailed history extensive commentary and summaries of the critical reception of One Step Beyond as well as coverage of the sequel series produced in 1978 entitled The Next Step Beyond Complete credits for both series are provided

An Analytical Guide to Television's Battlestar Galactica John Kenneth Muir,2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978 it was expected to be the most popular new program of the year Instead it was attacked as a Star Wars rip off and canceled after a mere 17 stories The author acknowledges the show was full of dramatic cliches and scientific inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama Lorne Greene and ace warrior Captain Apollo Richard Hatch The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences The brilliant work of artist John Dykstra brought a new world of special effects to network television Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a layer of depth and maturity to the weekly drama

Time Tunnel Episode Guide Introduction

In today's digital age, the availability of Time Tunnel Episode Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Time Tunnel Episode Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Time Tunnel Episode Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Time Tunnel Episode Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Time Tunnel Episode Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Time Tunnel Episode Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Time

Tunnel Episode Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Time Tunnel Episode Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Time Tunnel Episode Guide books and manuals for download and embark on your journey of knowledge?
