Goudsouzian analyzes the life and career of a Hollywood legend from his childhood in the Bahamas to his 2002 Oscar for
lifetime achievement Poitier is a gifted actor a great American success story an intriguing personality and a political symbol
his life and career illuminate America s racial history In such films as *Lilies of the Field* *In the Heat of the Night* and *Guess
Who s Coming to Dinner* Poitier s middle class mannered virtuous screen persona contradicted prevailing film stereotypes of
blacks as half wits comic servants or oversexed threats His screen image and public support of nonviolent integration
assuaged the fears of a broad political center and by 1968 Poitier was voted America s favorite movie star Through careful
readings of every Poitier film Goudsouzian shows that Poitier s characters often made sacrifices for the good of whites and
rarely displayed sexuality As the only black leading man during the civil rights era Poitier chose roles and public positions
that negotiated the struggle for dignity By 1970 times had changed and Poitier was the target of a backlash from film critics
and black radicals as the new heroes of blaxploitation movies reversed the Poitier model In the 1970s Poitier shifted his
considerable talents toward directing starring in and producing popular movies that employed many African Americans both
on and off screen After a long hiatus he returned to starring roles in the late 1980s More recently the film industry has
reappraised his career and Poitier has received numerous honors recognizing his multi faceted work for black equality in
Hollywood As this biography affirms Poitier remains one of American popular culture s foremost symbols of the possibilities
