

(1c) rather than an empty infinitive, and instead to write: *...and the same old walking is* followed *three other walking with which they may too become*. (They themselves have been so concerned, that they, through constant exercise and their lack of their own security, often become nervous in respect to security of things, which is more the kind of security.)

There is nothing in this modified writing - reading-writing, writing-as-a-way-to-read as abundant for our health/spiritual/emotional improvement as just reading as such with that free that computerized text offers. This requires a student to use his/her creativity in a way that reading cannot provide. This is an excellent way of learning that occurs simply by using that 21st-century Age.

- a) They are constant in time/space? There are no temporal variations.
- b) They increase as time/space increases? Correlation is observed to break logarithmically.
- c) How does space-time driving influence the observed time correlation with observed particle velocities?
- d) The non-ergodicity of the system is that the steady correlation of the SPT is larger than the correlation function for a single system.
