To Hear The Word:

How to Hear the Preaching of God's Word with Profit Stephen Egerton, C. Matthew McMahon, 2019-03-07 In this treatise Egerton demonstrates the Christian's duty in hearing the word of God preached In the first chapter he shows what it means to take heed in hearing the word following what Christ said Take heed therefore how ye hear Luke 8:18 Then he gives general duties in chapter 2 in relationship to preparations that ought to be made before coming to hear the sermon Chapter 3 deals with what the hearer ought to do while hearing the sermon And chapter 4 deals with the duties of the Christian after the sermon Egerton takes a simplistic and manageable approach to teaching Christians what is required by Christ in hearing the Word of God preached He is quite comprehensive to remind the believer of the most important aspects of the truth in his doctrine as it relates to the preached word Egerton has a vivid masterful grasp of his matter and dissects the doctrine of hearing the word preached in a catechistic manner through questions and thorough answers Since God is speaking to the Christian in the preached word by all true ministers that the minister's mouth is God's mouth in the act of preaching one would do quite well to heed Rev Egerton's application of Christ's exhortations to hear what God is saying to us rightly biblically and for the good of our souls This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions

A Concordance to the Holy Scriptures ... In a More Exact and Useful Method Than Hath Hitherto Been Extant. By S. N. [i.e. Samuel Newman.], 1662

More Than Words Jason E. Hill, 2011-05-27 We live in a world in which there is great confusion about what it means to be a Christian and what it means to have genuine faith Faith is more than belief and being a Christian is more than attending a church service a Bible study or helping out the poor and needy True faith genuine faith in Christ is not something that we need to convince people that we possess Instead true faith is seen through who we are and what we do More Than Words is a book about faith It is not so much a book about what faith is but instead what true faith looks like More Than Words is a practical study of the book of James and provides understanding to what a life truly surrendered to Christ looks like and how it is to be lived More Than Words will encourage and challenge you to examine your hearts and life to see if the faith you claim to have is truly a biblical faith

The Volta Review, 1925 *Helping Johnny Listen* Thad Bergmeier, 2010-03-01 The preaching of God's Word happens tens of thousands of times each week across the world As these sermons are given when the preacher is faithful to the text of the Scripture it is as if God is speaking to the people of that given congregation The question is are people listening Listening to preaching is more than showing up sitting still or even nodding one's head It is taking that which is preached and applying it to life *Helping Johnny Listen* is a book designed to help the average person who sits in the average church on the average Sunday take full advantage of the sermons they hear so that they are able to live what they hear
