Handbook of the Media in Asia Shelton A Gunaratne,2000-07-27

This volume provides a fresh look at the media in Asia. It complements the work of the Euromedia Research Group on the media in Western Europe and supplements with updated information earlier works on the media in Asia and its sub regions. While providing a predominantly Asian interpretation of Asian media, the handbook is not in disharmony with Western interpretation. The Handbook draws together contributions from over thirty experts which have been placed within the customary division of Asia into South, Southeast and East.
