The Rise of English Rosemary Salomone, Rosemary C. Salomone, 2022 A sweeping account of the global rise of English and the high stakes politics of language Spoken by a quarter of the world's population English is today's lingua franca its common tongue The language of business popular media and international politics English has become commodified for its economic value and increasingly detached from any particular nation This meteoric rise of English has many obvious benefits to communication Tourists can travel abroad with greater ease Political leaders can directly engage their counterparts Researchers can collaborate with foreign colleagues Business interests can flourish in the global economy But the rise of English has very real downsides as well In Europe imperatives of political integration and job mobility compete with pride in national language and heritage In the United States and England English isolates us from the cultural and economic benefits of speaking other languages And in countries like India South Africa Morocco and Rwanda it has stratified society along lines of English proficiency In *The Rise of English* Rosemary Salomone offers a commanding view of

the unprecedented spread of English and the far reaching effects it has on global and local politics economics media education and business From the inner workings of the European Union to linguistic battles over influence in Africa Salomone draws on a wealth of research to tell the complex story of English and ultimately to argue for English not as a force for domination but as a core component of multilingualism and the transcendence of linguistic and cultural borders

Indigenous Language for Social Change Communication in the Global South Tshepang Bright Molale, Abiodun Salawu, Mohammad Sahid Ullah, Enrique Uribe-Jongbloed, 2023-05-22 Indigenous Language for Social Change Communication in the Global South brings together voices from the margins to engage in dialogue about common social change issues in Latin America Africa and Asia This book argues that resistance and social movements expressed in music and songs and exchanged via radio remain fundamental to ensure that the linguistic and cultural diversity of the world progresses despite colonizing pressures Contributors present cases that explore how indigenous communities use mediums such as the radio to help support their language identity and expand their own social change Highlighting the centrality of music in the development of political discussions and language as a central part of collective identity contributors analyze how these mediums function as both a vessel and a link for information and cultural cohesion of those engaging in social change Scholars of communication sociology and development studies will find this book of particular interest Research Handbook on Information Systems and Society Arti Jain, John Wang, Arun K. Yadav, 2025-07-15 This incisive Research Handbook on Information Systems and Society ISS explores the role of Information Systems in contemporary and future societies outlining the key sectors in which they are used and also examining their potential negative impacts such as privacy violations fake news and hate speech Border Jumping and Migration Control in Southern Africa Francis Musoni, 2020-04-07 With the end of apartheid rule in South Africa and the ongoing economic crisis in Zimbabwe the border between these Southern African countries has become one of the busiest inland ports of entry in the world As border crossers wait for clearance crime violence and illegal entries have become rampant Francis Musoni observes that border jumping has become a way of life for many of those who live on both sides of the Limpopo River and he explores the reasons for this including searches for better paying jobs and access to food and clothing at affordable prices Musoni sets these actions into a framework of illegality He considers how countries have failed to secure their borders why passports are denied to travelers and how border jumping has become a phenomenon with a long history especially in Africa Musoni emphasizes cross border travelers active participation in the making of this history and how clandestine mobility has presented opportunity and creative possibilities for those who are willing to take the risk A GUIDE TO BEING AN EXTRAORDINARY STUDENT Jeremia Lelosa, Mahlodi Kgatle, Morongwa Maifo, Sibusiso Gama, Treasure Mokalapa, Tieho Hans, 2017-03-04 This is an inspirational and motivational book for students at University and or College as well as those who have aspirations of furthering their studies at university and or college post matric The contributors from various institutions

of higher learning in South Africa share their secrets to success in this collection of experiences The contributors share their philosophies of success they share strategies they have employed which managed to assist them in graduating Students in particular junior students will benefit immensely from the comprehensive coverage of core study skills and learning strategies presented in a straightforward and relatable manner The book also helps students avoid academic exclusion and inspires them to achieve academic excellence However this book does not only cover academic success It also covers leadership and entrepreneurship which are necessary elements in today s fast and changing world Unlike any other student success guide books that are currently on the market this book is unique and offers a broad perspective from many students Again the book is written by people with a lived experience It offers an insider view This book was written by leaders of Faculty of Best Advisory FBA published and is distributed by Club Readership *Beyond Expropriation Without Compensation* Olaf Zenker,Cherryl Walker,Zsa-Zsa Boggenpoel,2024-04-04 Experts on property law land reform and social justice debate constitutional change and future of redistributive justice in South Africa Walmart in the Global South Carolina Bank Muñoz,Bridget Kenny,Antonio Stecher,2018-05-02 As the largest private employer in the world Walmart dominates media and academic debate about the global expansion of transnational retail corporations and the working conditions in retail operations and across the supply chain Yet far from being a monolithic force conquering the world Walmart must confront and adapt to diverse policies and practices pertaining to regulation economy history union organization preexisting labor cultures and civil society in every country into which it enters This transnational aspect of the Walmart story including the diversity and flexibility of its strategies and practices outside the United States is mostly unreported Walmart in the Global South presents empirical case studies of Walmart s labor practices and supply chain operations in a number of countries including Chile Brazil Argentina Nicaragua Mexico South Africa and Thailand It assesses the similarities and differences in Walmart s acceptance into varying national contexts which reveals when and how state regulation and politics have served to redirect company practice and to what effect Regulatory context state politics trade unions local cultures and global labor solidarity emerge as vectors with very different force around the world The volume s contributors show how and why foreign workers have successfully though not uniformly driven changes in Walmart s corporate culture This makes Walmart in the Global South a practical guide for organizations that promote social justice and engage in worker struggles including unions worker centers and other nonprofit entities **Transforming Ethnomusicology Volume II** Beverley Diamond,Salwa El-Shawan Castelo-Branco,2021-03-09 This two volume collection transforms our understanding of the discipline of ethnomusicology by exploring how ethnomusicologists can contribute to positive social and environmental change within institutional frameworks The second volume focuses on the intersection of ecological and social issues and features a variety of Indigenous perspectives **Political Ecology of REDD+ in Indonesia** Jonas I. Hein,2018-11-21 Indonesia s commitment to reducing land based greenhouse gas emissions significantly

includes the expansion of conservation areas but these developments are not free of conflicts This book provides a comprehensive analysis of agrarian conflicts in the context of the implementation of REDD Reducing Emissions from Deforestation and Forest Degradation and forest carbon offsetting in Indonesia a country where deforestation is a major issue The author analyzes new kinds of transnational agrarian conflicts which have strong implications for global environmental justice in the REDD pilot province of Jambi on the island of Sumatra The chapters cover the rescaling of the governance of forests privatization of conservation and the transnational dimensions of agrarian conflicts and peasants resistance in the context of REDD The book builds on an innovative conceptual approach linking political ecology politics of scale and theories of power It fills an important knowledge and research gap by focusing on the socially differentiated impacts of REDD and new forest carbon offsetting initiatives in Southeast Asia providing a multi scalar perspective It is aimed at scholars in the areas of political ecology human geography climate change mitigation forest and natural resource management as well as environmental justice and agrarian studies The Open Access version of this book available at <http://www.tandfebooks.com/doi/view/10.4324/9781351066020> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The Urban Ecologies of Divided Cities Amira Osman, John Nagle, Sabyasachi Tripathi, 2023-06-12 The book discusses how division affects the fabric of cities and people's sense of identity and agency and are reflected in physical features architecture and urban planning The question of divided cities represents a complex and multistranded urban Ecology at once both social and spatial it cannot be limited to a single science or discipline such as social or spatial fields This suggests integrated and cross disciplinary understandings as well as integrated or parallel approaches and solutions Urban ecologies of division manifest in multiple forms One of their most palpable expressions is conflict with parallels around the world and often with correlations in the spatial fabric Violence in such contexts is often a surface expression of deeper socio economic or ideological differences Whether as a result of intervention by authority or by dissent between groups a divided city inevitably becomes a place of conflict in various forms and intensity eroding the joy of living and sense of collective belonging to the detriment of all In effect it erodes the collective advantage of being part of a more unified society A city exists in collections of social structures which mutually form a society A divided city implies divided social structures and in consequence a divided society The papers compiled in this book present many case studies of divided cities discussing the different causes of divisions and their effects on societies Some of the causes can be linked to conflicts wars colonialism or legislative political systems In response to the serious challenges resulting from these divisions the book aims to provide opportunities for new approaches and possibilities for new interventions and solutions making it significant to urban planners architects and policymakers
