OHI, 1994 *Sustainability and Digital Engineering Management* Arnesh Telukdarie, 2025-05-27

Sustainability and Digital Engineering Management showcases real world case studies that demonstrate how digital technologies can help engineering managers achieve sustainable outcomes It is a key resource for engineers project

managers and students seeking practical sustainability solutions **Negotiating Identities in Contemporary Africa**

Toyin Falola, Emmanuel M. Mbah, 2023-08-29 *Negotiating Identities in Contemporary Africa* Gender Religion and Ethno cultural Identities explores the changing dynamics of identities in Africa with a focus on gender ethno cultural and religious identity Toyin Falola and Emmanuel M Mbah argue that because identity defines who we are as individuals or groups studies on African identities must focus on understanding the changing dynamics in the socio economic and political spheres in the continent These chapters cover subjects such as women s career identity gender roles and knowledge childlessness

ethnocentrism and democracy cultural identity through theater Black identity in the diaspora and diasporic consciousness

Using existing scholarship the chapters in this edited volume challenge our understanding of what identity entails and

provide new discussions on the hitherto politicized historiography of some identities in Africa

Selected Water Resources Abstracts, 1988 **Towards a Christian Theology of African Ancestors** Thomas Ochieng

Otanga, 2023-04-21 This book examines the similarities and relationship between Christian saints and African ancestors

Further it analyzes the deep cultural roots of African peoples and the ancestral frame as a point of departure for developing an indigenous African theology Questions dealt with include Does the conversion of Africans to Christianity require a break with their African cultural heritage Who is an African ancestor Is syncretism a good thing for an African Christian What

contribution can the African church make to the universal church The author argues that rather than being antithetical to formal Christianity an African Christian theology of ancestors is an example of how an indigenous African tradition can best

express Christianity as well as make considerable impact on world Christianity
