The Universe Of Reality A. Stinson,2008-06 The Universe of Reality questions many answers and answers many questions There are many scientific and political deceptions forwarded to the general public especially Americans We have been deceived for hundreds of years The comments and theories presented in this writing untangle and decipher the phenomena of light gravity the four forces and many political deceptions The Universe of Reality UOE theories are much closer to the truth than the wild problematic conjectures scientist and politicians present as facts About 90% of accepted theories are wrong and some just straight lies 9% twisted truths and 1% arguable The UOE theories combine the four forces strong weak electromagnetic and gravity into one force the universe of energy These theories challenge older accepted theories and conjectures by well known scientists such as Albert Einstein and Isaac Newton yet the UOE theories are built on the older theories of well known scientists

Trapped by You English Version Atika,2020-06-26 He looked at me very deeply as if he were looking for something that I didn t even know what it was Only through his eyes I know that if this man is a powerful man the man who used to hold full control and power in his hands His black slippery suit proved that he had an important role in this office building which I honestly don t know whose name But what I realized when he smiled at me after we had a view for more than ten seconds he would continue to interfere with my life so I could not escape from his arms

Come and kiss me saltwater (english version) Elias J.
