Unvarnished New Testament Oe:

The Unvarnished New Testament ,1991-01-01 Ancient religious wisdom in a modern tongue gives you a new perspective on the New Testament without having to learn another language This new innovative translation of the New Testament opens the closed doors of preconception and allows the reader to view these important Greek writings in an entirely different light Based on a radical and startling premise The Unvarnished New Testament asks Why not present the New Testament simply as it appears in the original Greek In these pages you ll get all of the ancient nuances and original meanings as if two thousand years of Christian history had not occurred The books read wonderfully smoothly since there is no attempt at maintaining any semblance of formal translation At the same time preserving the mysticism philosophy and theology of the underlying Greek better than any bible I know of He accomplishes exactly what dynamic translation aims for Church Discipline 10 Really Good Bibles You May Not Know About What Andy Gaus has achieved and brilliantly achieved in his new Translation is to present the ideas words and context of the various books of the New Testament as they would have been perceived by a majority of educated Greek readers in the third and fourth centuries John Howard Reid EzineArticles com
