research carried out while he was a Professor at Cardiff and later at Buckingham The book traces the various influences that guided the author through his career including that of his father who was a Cambridge Wrangler and the profound influence of Buddhism in his early life The author has published over 25 books and close to 300 scientific papers in peer reviewed journals over 60 of which were in the journal Nature

Where Did I Come From? and How Did I Get My Name? Mary Ellen, 2015-04-30 When a puppy goes to the pet store so he can find a special family to take him home hes understandably nervous But then he sees all the other puppies kittens fish and birds playing Hes happy to join everyone When he wakes up from a nap he looks out the pet store window and sees a beautiful little girl staring at him Next to her is a man with a friendly face who calls the little girl KC Is this going to be his new family the puppy wonders When the puppy arrives at his new home he begins to investigate and meets everyone in his new family Theres even a little boy thats just his size to play with The pup does some more investigating and his new mom tells him his name is Tanner Dog You are a good boy Tanner Dog We love you she tells him Tanner Dog the private investigator doesnt know it yet but there will be plenty more mysteries to explore and in the future hell have some help from the professor cat next door Mr Vlad

Consciousness - Where Did It Come From and Where Is It Going? Ylia Callan, 2025-07-29 Consciousness Where Did It Come From and Where Is It Going takes readers on a profound journey through one of humanity s greatest mysteries the nature of awareness itself From scientific models like Integrated Information Theory and Global Workspace Theory to ancient philosophical perspectives this book explores consciousness not as a single enigma but as a tapestry woven from mind body memory and cosmos With chapters spanning the evolution of awareness the role of dreams the quantum question and the possibility of a universal mind this work bridges neuroscience philosophy and metaphysics It invites readers to reflect deeply on what it means to be conscious how awareness has evolved and where the future of mind may lead us as individuals and as a species Accessible yet rigorous this book will appeal to seekers scientists and philosophers alike offering both clarity and wonder about the deepest questions of existence

Where Did I Come From, Oma? Ruth Dierolf, 2015-02-23 I fi nally found the time to fi nish the book I had years ago promised my grandson I would write to tell him how he was born Every time I started to write I was confronted by another roadblock After my bouts with cancer surgery chemo and then more surgery I just could not get it fi nished Now I have been able to get the book in print to fulfi ll my promise to write my grandson an answer to his often asked question Where did I come from Oma I hope you enjoy this book as much as I did writing it and that you will pass it on to your children and grandchildren so it can help answer questions they might have on how they were born I want to thank Nicholas for never giving up on me and for asking the question which gave me the idea that all children might enjoy the answer I also need to thank my gynecologist Dr Jeffrey B Frank affi liated with the Reading Hospital and Medical Center Reading Pennsylvania for proof reading the accuracy of my details and my friend Gloria Beidler who continued to encourage me to get the book fi nished It is my love of children that kept me writing to help parents who simply do not know what to say

to their children on the subject Thank you for taking the time to read this book Enjoy the story of Where did I come from
