## **While I Was Waiting:**

**While I'm Waiting** Judy Scott, 2014-05-31 Let me begin by saying that the Lord loves you He loves you more than you love yourself The Bible says that he loves us with an everlasting love Jer 31 3 Gods love for you my sister is steadfast perpetual and beyond description God wants you to know today that he is with you and has not forgotten about you I know your adversary has been trying to wear you down and make you give up and walk away from God He wants you to believe that God does not love you that he does not care about you He will tell you that it will never happen for you that youre getting old that youre not pretty enough and no one will want you These are lies all lies Sister can I please tell you that what God is planning for you is far greater than anything you can plan for yourself Whatever you do dont give up you cannot walk away from God You must take God at His Word and know that he will come through for you The man that God has for you is worth waiting for Wait on the Lord my Sister and again I say Wait You will NOT be disappointed if you wait on God Sure you can go out and get your own man Of course you can You can hook yourself up But if you do that youll end up with someone that is not Gods best for you Dont cheat yourself Sister God will not fail you Hold on to God and let Him hold on to you The rest of your life will be the best of your life Let God write your love story Wow What an awesome conference focused on one theme encouraging women to wait on the Lord None of us need to go to one more conference unless its the right conference While Im Waiting is the right conference Dr Cheri Pavi Givens

**While You Wait** Rhosie Lee Rheaves, 2012-11-09 Waiting for significant circumstances to change in our lives can be more than just a mere delay It is in this particular season that you will come to realize the purpose for your wait This read is clearly very forthcoming Supported with valuable explanations that identify how to journey through the challenges you face with confidence and assurance Waiting is a gift from God Complete with incredible blessings and benefits Discover that this process can be most productive and fruitful if you allow the supernatural powers of God to direct your life in your own critical situations Rosie Lee Rheaves stepped out of the way and allowed God to make history in her life HIS STORY made the difference In Him we move and have our being This book is not written simply just to impress But this account is presented to provide a different view point based on a true life experience from living years in painful conflict and difficulties She was totally connected to God as she gained the strength to evolve from a place of pain into a life of glorious peace She had tenacity and loyalty to her provider Jehovah Jireh With a heart of a champion she endured as a strong soldier in the heat of the battle It was not by any means easy Read how she overcame one of her greatest struggles and gained a remarkable testimony May this generation come to embrace the power of the Holy Ghost Be encouraged and receive the promises of Jesus Christ Remember WHILE YOU WAIT the best of your life is yet to come This story offers you the opportunity to explore a deeper relationship with Jesus Christ If you trust in God even in your brokenness there is an amazing love waiting just for you

**While You're Waiting** Regina Theisen, 2021-11-24 While we wait we often feel stuck or even as if we re suffocating This study is designed to guide you to the realization that you have so

much potential while you're waiting. When we're waiting, we have the opportunity to prepare a new idea, nurture a concept into maturity, develop a relationship that has been set aside. Waiting does not mean sitting and doing nothing. Waiting is a very thoughtful, energized time to prepare for the next step. If you've ever waited, which I know you have, this study is for you. The irony of the title of this study is how long I had to wait to even submit it to the world. A lesson in itself. As I waited for my atheist past gang member husband to become a believer, a relationship with my stepmother to be one full of respect and love, and most importantly for the timing to share some of my waiting with you, so much more happened. You will have opportunities to dive into scripture, reflect on your past, and even prayerfully consider your future. You can do this study with a group, with a friend, or even by yourself. As you journey through the scriptures and learn more about your relationship with Jesus and those around you, I hope that your waiting becomes filled with more joy than sorrow and more focus than fog, and more growth than death. Thank you for taking a chance on me, thank you for allowing me to be a part of your journey, thank you for making your waiting worthwhile.

[While Waiting for a Life Partner: Wisdom Keys for Single Christian Women](#)  
Nicole R. Baptiste, 2014-06-12. This book is written for single Christian women and those who are single again and desiring a meaningful relationship and waiting for a life partner. This book introduces meanings that participants assert about their relationship experiences through a research study which is relevant for readers to identify key attributes and wisdom keys, principles that should be considered while waiting for a potential life partner. Both women and men can benefit from the insights from this book as it is a strategic wisdom tool for males and females whose aspiration is for one of God's daughters or sons as a life partner. Readers will be enlightened to the uniqueness of the journey and the complexity of the process involved in waiting for and choosing a life partner. This book provides an alternative conceptualization to waiting and is geared to stimulate readers to explore the purpose of waiting, the attitudinal approach to waiting, and the next dimension of the journey from friendship to life partnership.

*While You Wait* Susan J. Musgrave, 2024-02-27. Waiting is inevitable. I am sure you have already heard the words "change is inevitable." I would like to propose that there is another word that can be included in the inevitable list, and this word is waiting. We are in an era where most people use a microwave, enjoy eating fast food, and like everything to happen right now. Most of us do not like waiting. In this book, *While You Wait*, we are going to learn the following: Waiting on God is inevitable; God hasn't changed amidst the changes in this fast-paced world; The process of growing in intimacy with God; The benefits of waiting; Why God allows seasons of waiting; What we should do while waiting; Wherever you are in your season of waiting, whether it's for healing, an increase in finances, a promotion, a spouse, or maybe for the next level in your relationship with God, let me encourage you to wait with the right attitude because God has your seasons and times in His hands. Susan Musgrave Nee Isidore has been fully committed to the Lord for over twenty-four years. She began full-time missionary work and service in 2010 and during this time she visited a number of countries in North Africa, the Arabian Peninsula, Asia, West and South Africa, the Caribbean, and Latin America. Susan is an excellent communicator of the

Word of God and imparts concise knowledge through her gift of teaching She is currently living in Trinidad and Tobago with her husband Patrick Musgrave

*Life, While Waiting for Test Results* Donna Schaper, 2004 writes movingly of her own frustrating journey through the time warp of the medical wait Publisher's website

**While Waiting for Rain** John Henry Schlegel, 2022-08-02 What might a sensible community choose to do if its economy has fallen apart and becoming a ghost town is not an acceptable option Unfortunately answers to this question have long been measured against an implicit standard the postwar economy of the 1950s After showing why that economy provides an implausible standard made possible by the lack of economic competition from the European and Asian countries winners or losers touched by the war John Henry Schlegel attempts to answer the question of what to do While Waiting for Rain first examines the economic history of the United States as well as that of Buffalo New York an appropriate stand in for any city that may have seen its economy start to fall apart in the 1960s 70s and 80s It makes clear that neither Buffalo nor the United States as a whole has had an economy in the sense of a persistent market structure that is the fusion of an understanding of economic life with the patterns of behavior within the economic political and social institutions that enact that understanding since both economies collapsed Next this book builds a plausible theory of how economic growth might take place by examining the work of the famous urbanist Jane Jacobs especially her book *Cities and the Wealth of Nations* Her work like that of many others emphasizes the importance of innovation for economic growth but is singular in its insistence that such innovation has to come from local resources It can neither be bought nor given even by well intentioned political actors As a result Americans generally as well as locally are like farmers in the midst of a drought left to review their resources and wait Finally it returns to both the local Buffalo and the national economies to consider what these political units might plausibly do while waiting for an economy to emerge

**How to Change the World While Waiting for Your Toast** Randy Friesen, Mark Wardell, 2004 This book is purposely short It is meant for people who don't have time to read If that's you this book is written for you Take an hour grab a coffee and read While you are reading have a pen handy You'll come up with some ideas that will change your world Write them down in the book It's easy quick and it could change your entire situation or business as you know it People have asked us if this is a business book or a personal growth book Our answer is simple It's both As business consultants we do something unique when starting a working relationship with a company We begin with the business owner What is their personal mission in life What are their personal goals We believe that who we are as people drives who we are in the workplace or who we are as business owners This book specifically focuses on capturing moments of time and then applying that captured time to something of lasting value In many cases the time needed to spawn a thought that will change the world is just about the time you wait for your toast to pop out of the toaster We hope you enjoy the read
