State By State A Panoramic Portrait Of America:

State by State Matt Weiland, Sean Wilsey, 2008-09-16 The editors of The Thinking Fan's Guide to the World Cup collect original writings on all fifty states by leading novelists, journalists, and essayists in a volume that includes such examples as Anthony Bourdain on New Jersey, Dave Eggers on Illinois, and Louise Erdrich on North Dakota. *The Handy State-by-State Answer Book* Samuel Willard Crompton, 2016-06-20 Red State Blue State Rust belt Sun belt East Coast West Coast A look at the state of the 50 states from Hawaii to New York and Alabama to Wyoming. An engaging look at each state's history, capitals, flowers, birds, famous citizens, and more. How did colonies, territories, and land purchases shape the United States of America? What differences and similarities are there between the states? What does each state bring to the union? When did each enter the union? What is their history, culture, and current population, and what might the future bring for each state? From sea to shining sea. *The Handy State by State Answer Book: Faces, Places, and Famous Dates for all Fifty States* explores the history, growth, politics, people, and more of each of the 50 states. It is a resource for learning about the events and personalities that influenced and affected each state, its history, government, cities, and culture. It is a convenient place to look for state facts and trivia. It offers an engaging overview of how a union of states became the U.S.A., the background and history of each of its 50 states, and the current state of each state. In addition to the state motto, nickname, and when it entered the union, *The Handy State by State Answer Book* answers intriguing questions about the people, places, and events that lend a unique character to each state's boundaries, government, and places of interest, such as: How much natural variety exists within California? How important were and are the Beach Boys to the making of California's culture? What is the capital of Hawaii? Are the Hawaiians themselves still in charge of their state and its economy? How many artists, writers, poets, and sculptors have lived in Massachusetts? Why was it so easy for the Pilgrims and the Puritans to take over eastern Massachusetts? Is New York a city, a state, or a state of mind? How many artists and writers have attempted to do justice to the beauty that exists in New York State? Is Mount Rushmore the place from which to view the accomplishments of the state and its people? Who were the first inhabitants of what we call South Dakota? Is it true that the people of Washington, and indeed most of the Pacific Northwest, are more liberal than their East Coast cousins? Is it true that it never stops raining on the Washington coast? Wide-ranging and comprehensive, with nearly 140 illustrations, this information-rich tome also includes a helpful bibliography and an extensive index, adding to its usefulness. A perfect companion for history buffs of all ages, *The Handy State by State Answer Book: Faces, Places, and Famous Dates for all Fifty States* is an ideal home reference and a convenient place to go to look up the basic facts and more of each of the 50 states. **The Labyrinth of North American Identities** Philip Resnick, 2012-04-25 What exactly does it mean to be North American? Europeans have been engaged in a long-running debate about the meaning and nature of Europe. *The Labyrinth of North American Identities* generates a similar discussion in the context of North America: what do we learn about North America as a unit and its individual countries when we explore the idea of a shared North

American identity Combining cultural anthropological historical political economic and religious considerations Philip Resnick acknowledges the relative differences in power and influence of the United States and its North American neighbours but digs deeper to uncover shared characteristics that constitute a labyrinth of North American identities unrestricted by national boundaries To date discussions of North America have largely revolved around the often technical implications of the North American Free Trade Agreement NAFTA or US homeland security What has been lacking by contrast is a culturally driven set of reflections This book examines the legacy of indigenous cultures the role of organized religion pathways to independence the role of imperial languages manifest destiny market capitalism and its limitations democratic practices and failures diverging uses of the state new world utopias and dystopias regional identities and civilizational perspectives What results is a vision of North America that defies any top down attempt to impose a homogeneous North Americanness

Obama's America Carl Pedersen, 2009-04-14 The year 2008 will be remembered as the moment when the US elected its first African American president This revealing book seeks to place the extraordinary rise of Barack Obama within the larger context of a possible historic political realignment in the US and of limits to US power in the world For 2008 also offered a number of history lessons that will surely inform studies of the election and its aftermath Carl Pedersen's book is an attempt to engage with these history lessons It examines the demographic changes that will likely change the nature of American national identity And it assesses the extent to which the grassroots organizations that were crucial in winning the election for Obama may influence the way he will govern the nation Obama's America also attempts to map out the contours of an Obama Doctrine in foreign policy by looking at how his identity has shaped his views on the role of the US in the world and how he in turn has been influenced by his foreign policy advisers It examines the challenges Obama faces in confronting a post American world in which the US is no longer the sole superpower Will Obama be a transformative president

Comics and the U.S. South Brannon Costello, Qiana J. Whitted, 2012-01-20 Comics and the U S South offers a wide ranging and long overdue assessment of how life and culture in the United States South is represented in serial comics graphic novels newspaper comic strips and webcomics Diverting the lens of comics studies from the skyscrapers of Superman's Metropolis or Chris Ware's Chicago to the swamps backroads small towns and cities of the U S South this collection critically examines the pulp genres associated with mainstream comic books alongside independent and alternative comics Some essays seek to discover what Captain America can reveal about southern regionalism and how slave narratives can help us reread Swamp Thing others examine how creators such as Walt Kelly Pogo Howard Cruse Stuck Rubber Baby Kyle Baker Nat Turner and Josh Neufeld A D New Orleans after the Deluge draw upon the unique formal properties of the comics to question and revise familiar narratives of race class and sexuality and another considers how southern writer Randall Kenan adapted elements of comics form to prose fiction With essays from an interdisciplinary group of scholars Comics and the U S South contributes to and also productively reorients the most significant and compelling

whose evocations of life in Nepal and of the universal conflicts inherent to love and friendship mark the arrival of a stunningly talented intuitive writer

Soul of a People David A. Taylor, 2010-04-15 *Soul of a People* is about a handful of people who were on the Federal Writers Project in the 1930s and a glimpse of America at a turning point. This particular handful of characters went from poverty to great things later and included John Cheever, Ralph Ellison, Zora Neale Hurston, Richard Wright, and Studs Terkel. In the 1930s they were all caught up in an effort to describe America in a series of WPA guides. Through striking images and firsthand accounts, the book reveals their experiences and the most vivid excerpts from selected guides and interviews: Harlem schoolchildren, truckers, Chicago fishmongers, Cuban cigar makers, a Florida midwife, Nebraskan meatpackers, and blind musicians. Drawing on new discoveries from personal collections, archives, and recent biographies, a new picture has emerged in the last decade of how the participants' individual dramas intersected with the larger picture of their subjects. This book illuminates what it felt like to live that experience, how going from joblessness to reporting on their own communities affected artists with varied visions, as well as what feelings such a passage involved: shame, humiliation, anger, excitement, nostalgia, and adventure. Also revealed is how the WPA writers anticipated and perhaps paved the way for the political movements of the following decades, including the Civil Rights movement, the Women's Rights movement, and the Native American rights movement.

Travels With Casey Benoit Denizet-Lewis, 2015-07-21 Over four months, 32 states, and 13,000 miles in a rented motor home, Denizet Lewis and his canine companion attempt to pay tribute to the most powerful interspecies bond there is in the country with the highest rate of dog ownership in the world. On the way, Denizet Lewis, known for his deeply reported dispatches from far corners of American life, meets an irresistible cast of dogs and dog-obsessed humans.

Hollowing Out the Middle Patrick J. Carr, Maria J. Kefalas, 2009-10-01 Two sociologists reveal how small towns in Middle America are exporting their most precious resource, young people, and share what can be done to save these dwindling communities. In 2001, with funding from the MacArthur Foundation, sociologists Patrick J. Carr and Maria J. Kefalas moved to Iowa to understand the rural brain drain and the exodus of young people from America's countryside. They met and followed working-class stayers, ambitious and college-bound achievers, seekers who head off to war to see what the world beyond offers, and returners who eventually circle back to their hometowns. What surprised them most was that adults in the community were playing a pivotal part in the town's decline by pushing the best and brightest young people to leave. In a timely new afterword, Carr and Kefalas address the question: so what can be done to save our communities? They profile the efforts of dedicated

community leaders actively resisting the hollowing out of Middle America These individuals have creatively engaged small town youth stayers and returners seekers and achievers and have implemented a variety of programs to combat the rural brain drain These stories of civic engagement will certainly inspire and encourage readers struggling to defend their communities

Freud's Blind Spot Elisa Albert, 2010-11-16 Relationships with our siblings stretch as an old saying has it all the way from the cradle to the grave Few bonds in life are as significant as formative as lasting and as frequently overlooked as those we share with our brothers and sisters In this stellar first of its kind anthology contemporary writers explore the rich and varied landscape of sibling experience illuminating the essential occasionally wonderful often difficult ways our brothers and sisters or lack thereof shape us There are those who love and cherish their siblings those who abhor and avoid them and everyone in between

Farther Away Jonathan Franzen, 2024-05-01 The National Book Award winning author of *Freedom* presents a multifaceted and revealing collection of essays The Economist In *Farther Away* which gathers together essays and speeches written mostly in the past five years Franzen returns with renewed vigor to the themes both human and literary that have long preoccupied him Whether recounting his violent encounter with bird poachers in Cyprus examining his mixed feelings about the suicide of his friend and rival David Foster Wallace or offering a moving and witty take on the ways that technology has changed how people express their love these pieces deliver on Franzen's implicit promise to conceal nothing On a trip to China to see first hand the environmental devastation there Franzen doesn't omit mention of his excitement and awe at the pace of China's economic development the trip becomes a journey out of his own prejudice and moral condemnation Taken together these essays trace the progress of unique and mature mind wrestling with itself with literature and with some of the most important issues of our day

Reasonable Doubt Peter Manso, 2017-12-19 In January 2002 forty six year old Christa Worthington was found stabbed to death in the kitchen of her Cape Cod cottage her curly haired toddler clutching her body A former Vassar girl and scion of a prominent local family Christa had abandoned a glamorous career as a fashion writer for a simpler life on the Cape where she had an affair with a married fisherman and had his child After her murder evidence pointed toward several local men who had known her Yet in 2005 investigators arrested Christopher McCowen a thirty four year old African American garbage collector with an IQ of 76 The local headlines screamed Black Trash Hauler Ruins Beautiful White Family and Black Murderer Apprehended in Fashion Writer Slaying while the sole evidence against McCowen was a DNA match showing that he'd had sex with Worthington prior to her murder There were no fingerprints no witnesses and although the state medical examiner acknowledged there was no evidence of rape after a five week trial replete with conflicting testimony and accusations of crime scene contamination McCowen was condemned to three lifetime sentences with no parole Rarely has a homicide trial been refracted so clearly through the prism of those who engineered it Bestselling author and biographer Peter Manso dug deep into the case and the results were explosive The Cape DA indicted the author threatening him with fifty years in prison In this exhaustively researched and vividly accessible book

Manso bares the anatomy of a horrific murder a botched investigation rife with bias and one of the most grossly unjust verdicts in modern trial history Page 4 of cove

Quarterly Essay 63 Enemy Within Don Watson,2016-08-29 In *Enemy Within* Don Watson takes a memorable journey into the heart of the United States in the year 2016 and the strangest election campaign that country has seen Travelling in the Midwest Watson reflects on the rise of Donald Trump and the thicket of unreality that is the American media Behind this he finds a deeply fearful and divided culture Watson considers the irresistible pull for Americans of the Dream of exceptionalism and asks whether this creed is reaching its limit He explores alternate futures from Trump style fascism to Sanders style civic renewal and suggests that a Clinton presidency might see a new American blend of progressivism and militarism *Enemy Within* is an eloquent barbed look at the state of the union and the American malaise If as seems likely Clinton wins it will not be out of love or even hope but rather out of fear She can win by simply letting her deplorable opponent lose On the other hand she s nothing if not adaptable and she could yet see the chance to lead the nation s social and economic regeneration Call it a New Great Awakening or a New New Deal it would owe something to both and to Bernie Sanders as well but also to her need to be more than the first woman president Don Watson *Enemy Within* Must read Don Watson is the ideal person to survey Trump s America *The Weekend Australian* A fascinating journey through the United States ABC Brisbane Weekend Bookworm

Poems on Civility S T

Kimbrough,2025-06-24 Although civility may sometimes have been viewed as formal politeness and courtesy in one s speech and behavior its meaning has become more complex in contemporary society It certainly still has to do with how we speak and act but these are overlaid with political and partisan meanings and a variety of media and social media options *Poems on Civility* says nothing new about diverse types of civility or lack of them however it accentuates many emphases related to civility with words phrases images metaphors and similes that may help readers to think more vividly and act more intentionally to create a more civil society The four sections follow a progression *Civility Starts with You Civility Depends on You Civility Must Be Discussed and Civility Must Be Done* Civility requires creative thinking and creative action Above all civility expects a just and equal regard of all human beings Recognition of wrong directed activities of leaders is one thing but civility must be thought through discussed and acted upon There is always the tendency of autocrats and anarchists to take away the rights of free speech and discussion If the art of listening carefully to one another is lost civility vanishes

Man with a Pan John Donohue,2025-05-01 Look who s making dinner Twenty one of our favorite writers and chefs expound upon the joys and perils of feeding their families Mario Batali s kids gobble up monkfish liver and foie gras Peter Kaminsky s youngest daughter won t eat anything at all Mark Bittman reveals the four stages of learning to cook Stephen King offers tips about what to cook when you don t feel like cooking And Jim Harrison shows how good food and wine trump expensive cars and houses This book celebrates those who toil behind the stove trying to nourish and please Their tales are accompanied by more than sixty family tested recipes time saving tips and cookbook recommendations as well as New Yorker

cartoons Plus there are interviews with homestyle heroes from all across America a fireman in Brooklyn a football coach in Atlanta and a bond trader in Los Angeles among others What emerges is a book not just about food but about our changing families It offers a newfound community for any man who proudly dons an apron and inspiration for those who have yet to pick up the spatula *All Eyes are Upon Us* Jason Sokol,2014-12-02 The Northeastern United States home to abolitionism and a refuge for blacks fleeing the Jim Crow South has had a long and celebrated history of racial equality and political liberalism After World War II the region appeared poised to continue this legacy electing black politicians and rallying behind black athletes and cultural leaders However as historian Jason Sokol reveals in *All Eyes Are Upon Us* these achievements obscured the harsh reality of a region riven by segregation and deep seated racism White fans from across Brooklyn Irish Jewish and Italian came out to support Jackie Robinson when he broke baseball s color barrier with the Dodgers in 1947 even as the city s blacks were shunted into segregated neighborhoods The African American politician Ed Brooke won a senate seat in Massachusetts in 1966 when the state was 97% white yet his political career was undone by the resistance to busing in Boston Across the Northeast over the last half century blacks have encountered housing and employment discrimination as well as racial violence But the gap between the northern ideal and the region s segregated reality left small but meaningful room for racial progress Forced to reckon with the disparity between their racial practices and their racial preaching blacks and whites forged interracial coalitions and demanded that the region live up to its promise of equal opportunity A revelatory account of the tumultuous modern history of race and politics in the Northeast *All Eyes Are Upon Us* presents the Northeast as a microcosm of America as a whole outwardly democratic inwardly conflicted but always striving to live up to its highest ideals
