

THINGS YOU NEED TO KNOW ABOUT

GUN LAWS

The right to own guns is guaranteed by the US Constitution, but gun ownership today is covered by state and federal laws. Let's take a look at some of the things you need to know about gun laws in the US.

WHO IS PROHIBITED FROM OWNING FIREARMS UNDER THE GUN CONTROL ACT?

Convicted felons sentenced to a prison term of more than 1 year

Drug users or addicts

Fugitives from justice

People legally declared to be mentally-ill or have been committed to a mental institution

Illegal aliens

People dishonorably discharged from any branch of the U.S. Armed Forces

Former US citizens who have renounced their citizenship

People subject to court restraining orders issued on behalf of their 'intimate partners,' their partner's child, or children.

People convicted of a misdemeanor crime of domestic violence

If you're not legally allowed to own a gun, you cannot buy or own bullets as well.

Federal law prohibits anyone under 18 from possessing a handgun or handgun ammunition.

Gun buyers have to go through a national background check before they can legally purchase one from a licensed gun store.

Gun shows: both federally licensed dealers and unlicensed sellers can sell guns at temporary gun shows, and everyone can just buy guns without background checks or registrations.

Gun laws vary from state to state.

There are two ways citizens can carry firearms: open carry and concealed carry. A casual observer can see the gun with the former, and cannot see the weapon with the latter.

SHOULD YOU FACE GUN OR GUN-RELATED CHARGES, YOU WILL NEED A GUN LAWYER TO REPRESENT YOU IN COURT.

State And Federal Gun Law Guide
