Compassion Travis A. Miller, 2022-08-24 What does it mean to be compassionate How does it go beyond merely caring for others The last several years in America have seen a sharp decline in compassion A deep political divide has surfaced and even worse those who are called most to be compassionate and caring have often betrayed the very beliefs they profess It has created a roiling climate where us against them has become the initial focus on every issue Each side would rather win than be proven right because the other is automatically wrong simply by being the other At the center of this battle is the Christian faith which has been exploited by some and compromised by others The same people that derided Bill Clinton in the nineties for his personal indiscretions now laud Donald Trump as a savior despite similar indiscretions For those that were raised in this it can cause a crisis of faith **Reinvent Yourself** Conrad Riker, 101-01-01 Sick of being a cog in the
