**Craft Coffee: A Manual** Jessica Easto, 2017-11-14 Named a top food drink book of 2017 by Food Network Wired Sprudge and Booklist This comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home Unlike other coffee books this one focuses exclusively on coffee not espresso and explores multiple pour over immersion and cold brew techniques on 10 different devices Thanks to a small but growing number of dedicated farmers importers roasters and baristas coffee quality is at an all time high But for nonprofessionals achieving caf quality at home can seem out of reach With dozens of equipment options conflicting information on how to use that equipment and an industry language that at times doesn t seem made for the rest of us it can be difficult to know where to begin Craft Coffee A Manual written by a coffee enthusiast for coffee enthusiasts is a comprehensive guide to improving your brew at home The book

provides all the information readers need to discover what they like in a cup of specialty coffee and how to replicate the perfect cup day after day From the science of extraction and brewing techniques to choosing equipment and deciphering coffee bags Craft Coffee focuses on the issues cost time taste and accessibility that home coffee brewers negotiate and shows that no matter where you are in your coffee journey you can make a great cup at home *Starbucked* Taylor

Clark,2007-11-05 *Starbucked* will be the first book to explore the incredible rise of the Starbucks Corporation and the caffeine crazy culture that fueled its success Part Fast Food Nation part Bobos in Paradise *Starbucked* combines investigative heft with witty cultural observation in telling the story of how the coffeehouse movement changed our everyday lives from our evolving neighborhoods and workplaces to the ways we shop socialize and self medicate In *Starbucked* Taylor Clark provides an objective meticulously reported look at the volatile issues like gentrification and fair trade that distress activists and coffee zealots alike Through a cast of characters that includes coffee wild hippies business sharks slackers Hollywood trendsetters and more *Starbucked* explores how America transformed into a nation of coffee gourmets in only a few years how Starbucks manipulates psyches and social habits to snare loyal customers and why many of the things we think we know about the coffee commodity chain are false **Big Bang Disruption** Larry Downes,Paul Nunes,2014-01-07

It used to take years or even decades for disruptive innovations to dethrone dominant products and services But now any business can be devastated virtually overnight by something better and cheaper How can executives protect themselves and harness the power of Big Bang Disruption Just a few years ago drivers happily spent more than 200 for a GPS unit But as smartphones exploded in popularity free navigation apps exceeded the performance of stand alone devices Eighteen months after the debut of the navigation apps leading GPS manufacturers had lost 85 percent of their market value Consumer electronics and computer makers have long struggled in a world of exponential technology improvements and short product life spans But until recently hotels taxi services doctors and energy companies had little to fear from the information revolution Those days are gone forever Software based products are replacing physical goods And every service provider must compete with cloud based tools that offer customers a better way to interact Today start ups with minimal experience and no capital can unravel your strategy before you even begin to grasp what s happening Never mind the innovator s dilemma this is the innovator s disaster And it s happening in nearly every industry Worse Big Bang Disruptors may not even see you as competition They don t share your approach to customer service and they re not sizing up your product line to offer better prices You may simply be collateral damage in their efforts to win completely different markets The good news is that any business can master the strategy of the start ups Larry Downes and Paul Nunes analyze the origins economics and anatomy of Big Bang Disruption They identify four key stages of the new innovation life cycle helping you spot potential disruptors in time And they offer twelve rules for defending your markets launching disruptors of your own and getting out while there s still time Based on extensive research by the Accenture Institute for High Performance and in depth interviews

with entrepreneurs investors and executives from more than thirty industries Big Bang Disruption will arm you with strategies and insights to thrive in this brave new world      *Stuff Every Coffee Lover Should Know* Candace Rose Rardon,2021-03-09 This pocket sized handbook is the perfect gift for coffee connoisseurs those looking to grind and brew their own beans and anyone who appreciates a cup of coffee with or without caffeine If you re like most people you start every day with a hot cup of joe But beyond your steaming morning mug there s a whole world waiting to be discovered from roast varieties to brewing methods to the traditions ceremonies and customs of cultures around the globe Within the pages of this guide coffee lovers of all levels will find useful information helpful how tos and fascinating trivia about their beloved beverage including Highlights from Coffee History Anatomy of the Coffee Cherry Freshness in Coffee Caffeine Content 101 Popular Espresso Drinks Coffee Cocktails So get ready to read about the world s best coffee growing regions learn how to host a coffee cupping like a pro get tips for buying ethically sourced beans and much much more      *Fresh Cup* ,2003
