State Of Alaska Trooper Report:

Safe Communities Annual Report ,1997 **Cold Crime** Tom Brennan,2005 Step by step journalist Brennan walks readers through 13 notorious cases drawing details from the confidential files of Alaska police detectives who investigate murder mayhem crimes of passion and greed and an amazing amount of criminal stupidity *Encyclopedia of Domestic Violence and Abuse* Laura L. Finley,2013-07-16 This comprehensive two volume work examines domestic abuse in the United States and worldwide providing research personal stories and primary documents that reveal the extent of the problem An estimated 1 300 to 1 800 Americans are murdered by intimate partners each year Far from being a problem that only impacts women domestic violence hurts society as a whole both socially as well as financially with an estimated direct and indirect cost of nearly 6 billion annually in the United States This book provides a timely and thorough reference for educators students scholars and activists seeking to better understand the global issue of domestic abuse The entries document the history of the domestic violence prevention movement provide explanations for abuse identify warning signs of hidden abuse describe types of victims and offenders and supply information on interventions and prevention programs Written by an array of experts in the field the book also integrates the personal stories of survivors and addresses abuse as a global issue by covering topics such as acid attacks and female genital mutilation *Annual Report of LEAA*. United States. Law Enforcement Assistance Administration,1974 *New Serial Titles* ,1977 **The Office of Law Enforcement Annual Report:2002** , **Annual Report of the Law Enforcement Assistance Administration** United States. National Conference on Sex Offender Registries ,1998 **FBI Law Enforcement Bulletin** ,1983 *Police Heroes* Charles R. Whitlock,Chuck Whitlock,2004-06 There are more than one million law enforcement officers in the United States In this book you will meet police officers from all parts of the country who take their oath seriously and when confronted with life threatening circumstances have acted courageously You ll read about a patrol officer who after discovering a house on fire early one morning rescued its inhabitants before the fire department could arrive Imagine the courage required by one state trooper who single handedly brought five armed robbers to justice in Alaska s wilderness One stalwart officer used his body to shield a homeless man from an angry armed mob while his partner helped fend off the attackers Readers will meet one officer who distinguished himself throughout his incredible career with numerous feats of heroism You ll be touched by the valor of the K 9 officers and their handlers And of course there is a powerful piece on police heroism on September 11th Filled with stories about Americas finest officers this book is a moving tribute to our country s unsung heroes **Forensic Victimology** Brent E. Turvey,2013-08-08 Published in 2009 the first edition of Forensic Victimology introduced criminologists and criminal investigators to the idea of systematically gathering and examining victim information for the purposes of addressing investigative and forensic issues The concepts presented within immediately proved vital to social

scientists researching victims offender relationships investigators and forensic scientists seeking to reconstruct events and establish the elements of a crime and criminal profilers seeking to link pattern crimes This is because the principles and guidelines in Forensic Victimology were written to serve criminal investigation and anticipate courtroom testimony As with the first this second edition of Forensic Victimology is an applied presentation of a traditionally theoretical subject written by criminal justice practitioners with years of experience both in the field and in the classroom It distinguishes the investigative and forensic aspects of applied victim study as necessary adjuncts to what has often been considered a theoretical field It then identifies the benefits of forensic victimology to casework providing clearly defined methods and those standards of practice necessary for effectively serving the criminal justice system 30% new content with new chapters on Emergency Services False Confessions and Human Trafficking Use of up to date references and case examples to demonstrate the application of forensic victimology Provides context and scope for both the investigative and forensic aspects of case examination and evidence interpretation Approaches the study of victimology from a realistic standpoint moving away from stereotypes and archetypes Useful for students and professionals working in relation to behavioral science criminology criminal justice forensic science and criminal investigation

Ghost Glenn Puit, 2011-01-04 John Patrick Addis was a state trooper crime scene investigator bush pilot ex convict UFO fanatic survivalist and a pro at manipulating women His criminal madness stretched from Alaska to Mexico leaving countless victims in his wake *LEAA* United States.
