The Message Of The Holy Spirit Bible Speaks:

The Message of the Holy Spirit Keith Warrington, 2020-05-21 Despite the teaching of the Bible and church tradition it seems that many Christians can still lack an appreciation of God the Holy Spirit He has sometimes been valued more for the gifts he bestows than for who he is or he has been viewed simply as the third person of the Godhead However Keith Warrington's conviction is that the Holy Spirit is more important more central more immanently involved in his creation the church and individual believers more often and more strategically than many Christians realise When Jesus left his disciples and went to heaven he gave the best gift he could the Holy Spirit knowing that he will be our dynamic guide and partner as we seek to live as God's people In this practical biblically based exploration of the Spirit Warrington encourages believers to recognize that the same Spirit seeks to encounter us and desires that we encounter him *Spirit Wind* Peter L. H. Tie, Justin T. T. Tan, 2020-12-29 *Spirit Wind* a collaborative investigation into the works and person of the Holy Spirit clearly and richly demonstrates diversity in theological perspectives but unity in the Christian faith All theological discussions should aim at humbly respecting theological distinctiveness while sincerely encouraging theological conversations *Spirit Wind* offers itself to achieve just that *Spirit Wind* consists of nine chapters written by nine Chinese theologians born in the Orient and trained in the West who are now serving passionately as seminary professors in Australia Singapore Taiwan or the United States Each author endeavors to explain the person and works of the Holy Spirit not only from Chinese standpoints but also from biblical historical and cultural pastoral perspectives and yet all chapters are theological in nature No theologian claims to capture all matters about the Spirit but every author of this book is captivated by the powerful presence sovereign freedom and beautiful operations of the Holy Spirit You will be too *What the Bible Says about Speaking in Tongues* John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets *Anglicans and Pentecostals in Dialogue* David Hilborn, Simo Frestadius, 2023-09-22 This is the first comprehensive book on Anglican and Pentecostal ecumenical relations It introduces both movements with a particular focus on their approaches to ecumenism before exploring sacraments ministry ecclesiology pneumatology and mission with respect to both traditions As well as providing more theological and historical discussion the book also offers personal accounts of local national and international

ecumenical engagement by both Anglicans and Pentecostals It is written predominantly although not exclusively from a British perspective Even so as the first major published dialogue between these two global Christian traditions the book will be of value to all interested in Anglicanism Pentecostalism and ecumenism *The Secret to Holy Spirit Authority* David Charles Craley, 2011-11-04 _____ How did He do it _____ How did Jesus do it How did He heal the sick open the eyes of the blind and set the captives free at every opportunity And how did His disciples do it after He ascended into heaven Some may say Jesus could do it because He was God But that point of view suggesting that we cannot do it because we are not God falls short of what Jesus promised His disciples in the Gospel of John Most assuredly I say to you he who believes in Me the works that I do he will do also and greater works than these he will do because I go to My Father John 14 12 NKJV If the Lords promise to His disciples is true that we can and should be doing the same works He did and greater then there must be answers in the word of God there must be keys to help us understand how With revolutionary prophetic insight *The Secret to Holy Spirit Authority In the Power of the Spirit* reveals step by step how Jesus did it how His disciples did it and how Christian believers today can rise up spiritually to walk in His steps and set the captives free revolutionary prophetic insight

Message: Preach the Word Rev Dr koningthung Ngoru Moyon,2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book *The Bible Tells Them So* Kathleen C.
