Moving Mountains Raymont L. Anderson, 2012-05 In life everyone at some time or another will experience what is commonly referred to as problems *Moving Mountains* is a manual of sorts to assist people in the removal of life s problems This removal process occurs by first looking at some commonly held beliefs and ideas held by our society Secondly this removal occurs by realizing that a shift in perception is needed As the reader continues to read and walk through the journey laid out in the pages of the book the task of noticing and in time changing existing paradigms will become the number one mission This mission allows the reader to realize that the mountains in life problems challenges issues and traumas are blessings that can be used as stepping stones to greater awareness and increase one s ability to live a sacred life

The book guides the reader through the process of personal transformation by challenging what is believed and what the reader feels is known with various ideas and concepts that the author has found over years of study to be of immeasurable value and use so that the mountains can be moved just as Jesus the Christ said in Matthew 17 20 if you have faith as small as a mustard seed you can say to this mountain Move from here to there and it will move Nothing will be impossible for you

Whitehouse, 2012-03-16 At first glance the Old and New Testaments of the Bible could not appear to be more different on the subject of prosperity The Hebrew teachings encourage the accumulation of wealth and state that God will prosper us if we trust in Him while the Gospels and letters of the New Testament recommend discarding wealth and living a simple life Thou shalt remember the Lord thy God for it is He that giveth thee the power to get wealth Deuteronomy 8 18 I tell you it is easier for a camel to pass through the eye of a needle than for a rich man to enter into the kingdom of heaven Gospel of Matthew 19 24 But is there more to it than that Is there an underlying unifying theme of what prosperity actually is and how to attract it throughout the whole of the Bible This book reveals that there is and that this ancient text interpreted carefully and

comprehensibly is a prosperity workbook for the modern age **Open Your Mind to Prosperity** Catherine Ponder, 1983-12 There are many success courses and books available today and they are all good Anything that helps you to open your mind to prosperity is worthwhile But most of those courses and books cover only about one fourth of the formula given in **OPEN YOUR MIND TO PROSPERITY** Other books only explain how to create your prosperity mentally first Catherine Ponder not only explains how she helps you prepare your mind for prosperity and directs you forward to a life of prosperity To live a prosperous life you must learn how to clear away the psychological blocks about prosperity as discussed in Chapter 1 then learn how to cleanse your mind to make way for prosperity as explained in Chapter 2 then follow this up by giving your

prosperity a spiritual basis as shown in Chapter 6 just creating your prosperity mentally first is not enough By learning the entire formula for prosperity as given in this book in both Part I and Part II you will find that it becomes an automatic process which you can easily invoke again and again and you will enjoy doing so Then you will return to the cleansing laws of prosperity and once again form a vacuum in both inner and outer ways You will begin again to create your prosperity mentally first probably making a new list getting fresh mental pictures and affirmations to work with daily **Another**
