Homer created the epic poems Iliad and Odyssey The Iliad tells only a small part of the story of the Trojan War For example the Iliad does not tell the story of the Trojan Horse although Homer knew about the Trojan Horse and assumed that his audience knew its story Other shorter epic poems that made up the Epic Cycle told the rest of the story of the Trojan War The Iliad and the Odyssey have survived to the present time but the other epic poems of the Epic Cycle have been lost since ancient times Fortunately Quintus of Smyrna wrote an epic poem that retold the tales recounted in the lost epic poems of the Epic Cycle He told the story of the Trojan War from the end of the Iliad to when Odysseus sets sail for home in the Odyssey after Troy has fallen In this retelling as in all my retellings I have tried to make the work of literature accessible to modern readers
