My Life is a Rock and Roll Song ... ready to be sung! Ray Mack,2023-07-09 Born to a Slovenian Mom and an Irish Dad I grew up in a small Ohio town in the 40 s and 50 s with many memories of my family struggling during and after World War II Studies came easy for me graduating with honors in College Preparatory Classes in 1959 I spent the last years in high school having overcome a Meatball weight problem and hanging out with buddies that were cool Although I was accepted and had a college scholarship waiting for me there was this stronger urge to accompany my buddies and join the Marines promising my parents college would come later While serving 4 years in the Marine Corps Univac Computers I followed one of my cool buddies to a local Albany GA radio station in search of a part time job and fell in love with the thought of being a DJ with hundreds of girls admiring me and my now Mr Bronze America muscular body I did make it with an on air gig but only got

there because of my Sales Marketing skills With a few delays my parents were elated when I graduated from Kent State University with a Bachelor s Degree in Telecommunications and a Master s Degree in Broadcast Management The road to success has taken me on a lot of twists and turns some right turns while making my share of boo boos along the way There has been more than 50 years invested in writing this book some parts based on life others based on my vivid imagination During and following a career in radio and helping to build up and sell radio stations there was success as a motivational speaker across the country while promoting other famous speakers including Zig Ziglar Og Mandino and Norman Vincent Peale Several money making projects were always active while living life to the fullest including looking for the next lady to share it with and the next opportunity to do something exciting Enjoy

No Regrets (Music Saved My Life) Alec Music,2025-03-17 This isn t just a story about a hip hop artist s rise from the ashes it s a raw unflinching look into the heart of darkness and the arduous climb back to the light It s a Cape Town story steeped in the vibrant energy of the city but also haunted by the shadows of poverty violence and addiction that cling to its edges It s a story of loss a story of grief a story of betrayal and a story of redemption It s a testament to the destructive power of unchecked pain and the restorative power of music family and unwavering love I have poured my soul onto these pages laying bare the deepest wounds and most painful truths It hasn t been easy reliving these experiences confronting the demons that nearly consumed me But in sharing this story I hope to reach out to those who are struggling reminding them that they are not alone There is hope No Regrets 3 There is healing There is a way out This is more than a memoir it s a lifeline a confession a testament to resilience and a celebration of the life I fought to reclaim The music the pain the love the struggle the triumph this is all woven into the fabric of this narrative presented in a way that is authentic to my experience and true to my voice I hope you feel the rhythm in the words the beat in the pain the melody of hope in the final crescendo Let the music begin My mother s death was a cataclysm It ripped a hole in my world leaving behind a void so profound that I instinctively sought

solace in the most destructive ways possible The streets became my refuge or rather my prison Alcohol numbed the pain drugs offered a fleeting escape and crime well it was a twisted form of rebellion a desperate attempt to exert control over a life that felt utterly out of control My father's tireless efforts to save me from myself were met with resistance with anger with a self-destructive defiance born from grief and a profound sense of loss The affair with my brother's wife Hulane was a further act of self-sabotage a cruel twist of the knife in an already bleeding heart This downward spiral continued a relentless descent into darkness a terrifying exploration of the abyss I reached a point where suicide seemed the only option the only release from the crushing weight of my pain and guilt But then something shifted Music the very thing that had always been my refuge once again offered a lifeline The collaboration with Arsenic Beats on No Regrets wasn't just about creating an EP it was about confronting my demons laying bare my struggles and processing my grief through rhythm and rhyme The songs became a cathartic release a conduit for my pain a powerful expression of my struggle for redemption This memoir delves into the depths of that struggle tracing my journey from the depths of despair to a place of unexpected peace and profound love It is a story of pain and resilience of darkness and light of loss and love ultimately a song of hope in the face of unimaginable adversity My story is not unique It's a reflection of the struggles faced by so many in communities grappling with poverty violence and addiction It is my hope that by sharing my journey others will find strength inspiration and perhaps even a glimmer of hope amidst their own struggles This is my truth my confession and my testament to the enduring power of the human spirit

My Life as I Remember It Billy D. Smith, 2009-10-30 In writing my book I tried to the best of my memory and with the help of a lot of people to relate and have a true story about the things that we did as children and adults about growing up and living in a small town in Alabama Even though times were hard then I feel very fortunate to have grown up during that time and in that place I believe that my life has been guided and protected by a Higher Being and I thank God for looking after me and guiding my life I also had some great teachers which I am thankful for knowing Most of our teachers loved us and tried to help when they could to prepare for our future All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life and that I alone am responsible for my actions I believe that growing up in Roanoke gave me the knowledge and background to have a great life for which I am thankful and I hope for many more good years
