The Mystery Of The Godhead:

The Mystery of the Godhead Albert Serbin, 2020-12-10 The mystery of the Godhead is indeed a mystery and there is not enough material written on the subject In my search I found some material written on God the son and the Holy Spirit It was not enough to answer the questions in my mind proper understanding and knowledge was missing This book is written with much fear of the Lord in a prayerful way to Honor the Lord Jesus Christ Some much needed Honor since God elected the nation of Israel to be his witnesses in Isaiah 43 10 they failed God because of rebellion and sin The Church is now given this task Ephesians 3 10 To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God I am a simple minister in the church and by this revelation given me by the lord do declare the manifold wisdom that there is ONE God and three manifestations of this true and only God Hosea 4 2 Hear the word of the Lord Y children of Israel for the Lord hath a controversy with the inhabitants of the land because there is truth nor mercy nor knowledge of God in the land I pray that you the reader will find the knowledge of God to be a teacher of this The Mystery of the Godhead Prince Akogo, 2015-01-14 The mystery of the Godhead was first spoken of by Apostle Paul The mystery actually is about how The Godhead or Trinity was instituted by the Father comprising of the Eternal Father of life the Son and the Holy Spirit It contains great detail about how and why the Father formed the Godhead That their hearts might be comforted being knit together in love and unto all riches of the full assurance of understanding to the acknowledgement of the mystery of God and of the Father and of Christ Col 2 2 KJV There have been people who have doubted the Mystery of the Godhead as not true They believe that there is only one God and not three In fact this is not actually the major problem with regards to the mystery Even for those who believe in this mystery of the Trinity they wonder how God can be three and at the same time ONE How simple can we understand it We often don't understand why the Creator of Universe should decide to make Himself three in the first place instead of just being one person This means there is something about this mystery which confuses every one of us Christians as well and there should be a secret thus a mystery about it Many others are also not sure whether the Son is greater than the Holy Spirit or whether the Spirit is greater than the Son because the Son seemed to be placed second when calling the members of the Trinity God the Father God the Son And God the Holy Spirit Some Christians are also not sure whether they came all at once or came together at different times However if this mystery does not exist why would the Bible talk about it 16 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 17 That the man of God may be perfect thoroughly furnished unto all good works 2 Tim 3 16 17 One class of people who doubt the revelation of the Trinity is unbelievers of the Gospel of Jesus Christ The doctrine of the Trinity alone deters them from believing in the Salvation plan of God They don t accept the fact that Jesus Christ is God and equal to His God's glory They believe He is a man or just one of the prophets just like any other prophets claiming to be sent by God How can He being a man makes

Himself equal with God Was He not the Son of Joseph Was He not born by a woman Yet why should God find it very important to reveal the mystery to His Apostles who teach the early churches The church till date have not understood the mystery to its fullest point and so our knowledge about our God is not complete All these make it very important for mankind especially Christians to acquire more knowledge about our God and how and why He does His things Most of the revelations in this book are new Hence as you read it will be like you are flowing through a stream of living water which satisfies your soul It is a book among books This is because the book also starts by revealing to you the mystery of God's origination What have been hidden before men eyes are here It s one in a million Your thirst shall definitely be quenched This book is all you need surely it is the knowledge you have been seeking about God from ages It is worth reading The Mystery of the **Godhead** Leslie Dutcher, 2024-05-23 This narrative is about the mystery of the Godhead understanding the Godhead what is God's name and who is God Many people believe that all gods are the same but this is not true Different religions have different names for the gods they worship Some religions call their god Allah or Buddha or Jehovah etcetera However there is only one true God As Christians the first thing we should understand is that the Godhead is a mystery designed by God 1 Timothy 3 16 And without controversy great is the mystery of godliness God was manifest in the flesh justified in the Spirit seen of angels preached unto the Gentiles believed on in the world received up into glory KJV The Apostle wrote great is the mystery of Godliness This verse is saying the Godhead is a mystery designed by God Let us try and figure out why God made the Godhead a mystery The Trinity Chuck Missler, 2023-01-26 Is there One God or Three How does one reconcile the One God of the Sh ma with the Three Persons of the Trinity The doctrine of the trinity has been at the heart of much theological controversy The routine objection is that the doctrine sacrifices monotheism to tritheism But this objection thrives on a misconception of divine personality in the image of disparate individual human selves This type of rationalistic applopetics promotive of trinitarianism on speculative rather than revelational grounds regrettably encourages this misunderstanding One of the reasons we suffer such misunderstanding is due to our relying on models Chuck explores the ostensible tensions between the Old and New Testament revelations of the ultimate mystery of the Godhead This is a foundational study for every Christian Understand the Mystery of the Godhead Lebert Johnson, 2011-12-02 NA The Oneness of The Trinity Carl Wright, 2025-07-05 Is God three Is He one Or is the answer far more beautiful than we ve imagined For centuries sincere believers have wrestled with how to faithfully understand and articulate the nature of God In The Oneness of the Trinity Carl D Wright invites readers into a Spirit led Scripture rooted journey into the mystery of the Godhead without fear division or dogma Rather than pitting Oneness and Trinitarian views against each other this book seeks clarity not controversy With humility and reverence Wright examines how God has revealed Himself as Father Son and Holy Spirit not as three separate beings but as the One true and living God fully made known in Jesus Christ Whether you ve held to the historic Trinity embraced Oneness theology or simply longed to understand how God can be both distinct and undivided this

book is for you You ll discover Biblical foundations for understanding the identity of Jesus A fresh look at classic problem texts through a unified lens The difference between revelation and speculation in theology A call to worship that transcends theological camps This is not just a doctrinal book it s a devotional invitation to behold the beauty of God s self revelation and to know Him deeper that has always been the goal And this is eternal life that they may know You the only true God and Iesus Christ whom You have sent John 17 3 The Mystery of the Godhead Joe W. Gresham, 2017-07-24 A treatise on the doctrine of the Trinity The doctrine of the Trinity is one of the most important doctrines of the Christian faith Nevertheless there exists within the Christian church today a substantial schism concerning this doctrine Since God himself is a mystery how much more the Trinity However that should not trouble us as long as the different aspects of these mysteries are clearly taught in Scripture Even though we may not be able to fully comprehend the various aspects of the Trinity we need to try and understand as best as we can the scriptural teaching regarding it The Mystery of the Godhead .1996 the Godhead: Its Unity, Duality, Trinity, and Quaternity Frederic FYSH,1853 The Anatomy of Evil Charles W.
