Long and Winding Roads Kenneth Womack, 2014-05-20 In Long and Winding Roads The Evolving Artistry of the Beatles Kenneth Womack brings the band s story vividly to life from their salad days as a Liverpool Skiffle group and their apprenticeship in the nightclubs and mean streets of Hamburg through their early triumphs at the legendary Cavern Club and the massive onslaught of Beatlemania itself By mapping the group s development as an artistic fusion Womack traces the Beatles creative arc from their first primitive recordings through Abbey Road and the twilight of their career In order to communicate the nature and power of the band s remarkable achievement Womack examines the Beatles body of work as an evolving art object He investigates the origins and creation of the group s compositions as well as the songwriting and recording practices that brought them to fruition Womack s analysis of the Beatles albums transports readers on a journey through the Beatles heyday as recording artists between 1962 and 1969 when the band enjoyed a staggering musical and lyrical leap that took them from their first album Please Please Me which they recorded in the space of a single day to Sgt Pepper s Lonely Hearts Club Band the White Album and Abbey Road albums that collectively required literally thousands of hours to produce In addition to considering the band s increasing self consciousness about the overall production design and presentation of their art Womack explores the Beatles albums as a collection of musical and lyrical impressions that finds them working towards a sense of aesthetic unity In Long and Winding Roads Womack reveals the ways in which the Beatles gave life to a musical synthesis that would change the world *Icons of R&B and Soul* Bob Gulla, 2007-12-30 Drawn from a mosaic of influences including folk gospel and blues R B represents both everything that came before and nothing that was heard before This is the music that bridged the gap between audiences and helped at the very height of racism in America to dismantle racial barriers So much of today s music is derived directly from the highly influential and critically important sounds of R B that without it we would have never known the classic soul of the late 50s and 60s the glory days of the genre Similarly rock n roll as seen through the eyes of Bill Haley and Elvis Presley would have never evolved without the foundation laid by their R B predecessors Through substantial entries on the chief architects and innovators Icons of R B and Soul offers
