GAMESbrief Unplugged Volume 2 Nicholas Lovell, 2011-06-26 Making money from games in the twenty first century Nicholas Lovell helps companies make money from games understand emerging platforms Apple s iOS Google Android browser based online and navigate new business models In this second volume of Nicholas s provocative and incisive analysis you will learn How ngMoco Jagex and Bigpoint built businesses worth hundreds of millions on the power of free How in app purchases can transform your business s revenues and profits How a company with 100 million of venture backing went bust and how to avoid their mistakes What new online business models mean for hardware manufacturers retail and traditional publishers If you want to ride the wave of online games weather the transition to free and become a successful profitable games business you need to read this book Analyzing Digital Fiction Alice Bell, Astrid Ensslin, Hans Rustad, 2013-12-17 Written for and read on a computer screen digital fiction pursues its verbal discursive and conceptual complexity through the digital medium It is fiction whose structure form and meaning are dictated by the digital context in which it is produced and requires analytical approaches that are sensitive to its status as a digital artifact Analyzing Digital Fiction offers a collection of pioneering analyses based on replicable methodological frameworks Chapters include analyses of hypertext fiction Flash fiction Twitter fiction and videogames with approaches taken from narratology stylistics semiotics and ludology Essays propose ways in which digital environments can expand challenge and test the limits of literary theories which have until recently predominantly been based on models and analyses of print texts Rhythm, Play and Interaction Design Brigid M. Costello, 2018-04-03 There are rhythms of action and response to all human computer interactions As we click swipe tap and sway to their beats these rhythms intersect with the rhythms of our everyday lives Perhaps they synchronize perhaps they disrupt each other or maybe they dance together Whatever their impact our experience of these rhythms will colour our experience of an interaction design In playful interactive applications rhythm is especially crucial because of the role it performs in building and maintaining the precarious spirit of play Play involves movement and this movement has a rhythm that drives the experience But what is the character of these rhythms of play and how can they be used in the design of interactive applications These questions are the focus of this book Drawing on traditions of rhythmic design practice in dance performance music and architecture this book reveals key insights into practical strategies for designing playful rhythmic experience With playful experiences now being incorporated into almost every type of computer application interaction design practitioners and researchers need to develop a deeper understanding of the specific character of rhythms within play Written from a designer s perspective with interviews from leading creative artists and interaction design practitioners Rhythm Play and Interaction Design will help practitioners researchers and students understand evaluate and create rhythmic experiences The Seer's Handbook Dennis Kloeck, 2004-11 To be a seer is to use the eyes of the soul together with one s physical eyes being able to move from one to the other letting go of one for the other For those who wish to

develop faculties of higher knowing and seeing The Seer's Handbook is a unique practical guide filled with exercises meditations and insightful commentary

Traveler's Guide (pdf) Short Stories Michael Wornlocker, 2025-05-01 Life in its raw and untamed beauty is a journey a labyrinth of winding

paths shadowed valleys and sun drenched peaks It is a voyage fraught with the unpredictable where the very core of our being is tested where the fragile strength of our hearts is forged in the fires of adversity As Elisha and Zach discovered on their own travels often the most profound journeys are those we undertake within Within the pages of the Traveler s Guide series Michael Wornlocker extends a hand inviting you to embark on a pilgrimage not merely across tangible landscapes but into the uncharted territories of the soul These are not simply narratives they are mirrors reflecting the intricate often tumultuous inner voyage we all undertake the profound quest to anchor ourselves in faith to surrender to a wisdom far surpassing our own and to unearth the hidden purpose that blooms in the fertile ground of belief From the first tentative steps in A Tale of Protection they are spiritual companions offering solace and guidance to anyone who seeks direction comfort or a gentle reminder that God is ever present ever near Like Zach who gradually opens his heart to the possibility of faith readers are invited to engage with these stories on a personal level allowing the narratives to resonate with their own experiences In a world where the cacophony of voices leaves many feeling adrift lost and burdened the Traveler s Guide series whispers a timeless call a gentle invitation that echoes through the ages Return to your Lord Believe in Him Trust Him Walk with Him So open these pages Allow the words to wash over you to seep into the deepest recesses of your heart Take that first step that leap of faith Let the light of belief illuminate your path and let the gentle hand of the Guide lead you home
