A Violent Conscience Leonard Engel, 2010-03-08. Mysteries and detective stories are among the most popular of books, but the writers of such genre fiction suffer from a perception that their work is to be taken less seriously than so-called literary fiction. The novels of James Lee Burke, one of the most distinguished writers of crime novels, challenge that notion, as do the 12 essays in this collection. This work examines Burke as a writer who has expanded the mystery-detective genre with an astonishing diversity of themes, imaginative language and descriptions, and unforgettable characters. He seems unbounded by limitations of genre. An interview with Burke is included.

With a perpetual night blanketing their home and deadly monsters lurking in the darkness, many are losing hope for a better future. Between starving, being raided by rival clans, eaten alive by nocturnal predators or fading into the nothingness that surrounds them at every turn, this is a world most unforgiving. But not all have given up the fight to survive and move forward despite the odds. Follow the journey of Riven Stellrock, a young scavenger of the Blacklight Clan with a penchant for making light of any situation, even those that have no light shining on them at all, and enjoying the simple things in life whenever possible. With food becoming scarce and hope swiftly dwindling, he'll have to embark on a dangerous mission to explore the darkest, deepest corners of this endless world of night to save his people. However, many things could quickly bring his noble quest to a violent end: deadly bandits, ferocious monsters, or a high

James Lee Burke and the Soul of Dave Robicheaux Barbara Bogue, 2015-01-27 When he created the character Dave Robicheaux author James Lee Burke lent the New Orleans homicide detective a few of his own characteristics a daughter named Alafair a lifetime struggle with alcohol his Roman Catholic faith and his love for fishing and the outdoors On the other hand Robicheaux is portrayed as a veteran of the Vietnam war something Burke never experienced firsthand Yet the demons Burke has known allow him to write convincingly about demons he never knew Thus Burke has created a realistic complex and compelling protagonist for his crime fiction series That depth is one element that elevates Burke's writing above the status of genre fiction This book explores how James Lee Burke through the first-person narrative of detective Dave Robicheaux probes the world of law and order crime and disorder and one man's internal conflicts with modern moral issues The first chapter reveals the similarities and differences between real-life creator and fictional protagonist Next chapters arranged by theme explore the roles of women Robicheaux's paternal side as revealed through his adopted daughter the paternal influences in the detective's own life and the contrasting personality of his half brother Jimmie The next chapters probe the roots of the detective's moral dilemmas his battle with alcohol the Vietnam war's lingering trauma and religion Next the author explores Burke's use of the supernatural sense of place and music to deepen his stories Final chapters delve into Robicheaux's moral quandaries as a law enforcement officer the character's contrast to his reckless and funny partner Cleve and how Burke reveals truths about life through Robicheaux An interview with Burke is included
