The Other Side Of The Bridge:

The Other Side of the Bridge Bev Starr, 2024-02-19 About the Book Bev Starr's mother and father were truly opposites and her perhaps overly inquisitive mind often wondered how two people growing up in basically the same area even though a couple of decades apart could view life so differently The unhappiness Starr witnessed at an early age sparked the urge to dig deeper into the physical psychological emotional economic and belief systems within their families This became even more important to Starr as she suddenly found that she was to bring her first child into this world that she had so many questions about She also realized that other than the Bible just as preparation for becoming a wife she was unaware of any real down to earth instructions available to prepare that scared 20 year old for one of the most important opportunities she would ever be afforded Bev Starr's original intent for *The Other Side of the Bridge* is to ensure that her children and grandchildren would have a better understanding regarding the history of their ancestors as well as a more personal feeling of having actually known them This came from Starr's desire to know more than just the names of her ancestors but to know what their interests vocations dreams might have been Along with knowing more about them in a personal light Starr also wanted to know what role they may have played in the development of our great nation We often forget that the prosperity and the lives we live today didn't just happen and Starr has always wondered if any of her great great grandparents or their ancestors were actually a part of the history of the Civil War Starr remembers what she has heard somewhere down the line but has no factual documentation which would mean so much to her as well as the ability to pass it on to my children About the Author Bev Starr loved to write as a young student She was encouraged by her seventh grade teacher Ms Speight whom she credits with encouraging her to pursue writing and to further her education Bev was awarded a scholarship upon completing high school but instead went to work to help provide for her family *The Other Side of the Bridge* Timothy E Paul, 2022-06-24 *The Other Side of the Bridge* A Story of Racism Redemption and Reconciliation By Timothy E Paul Based on a real historical place that had a profound effect on the civil rights and voting rights of black people *The Other Side of the Bridge* A Story of Racism Redemption and Reconciliation is a fictional book with a Christian influence involving the assassination attempt of not one but two black clergymen during the 30th Anniversary Selma March **The Other Side of the Bridge** Mary Lawson, 2009-02-24 From the author of the beloved 1 national bestseller *Crow Lake* comes an exceptional new novel of jealousy rivalry and the dangerous power of obsession Two brothers Arthur and Jake Dunn are the sons of a farmer in the mid 1930s when life is tough and another world war is looming Arthur is reticent solid dutiful and set to inherit the farm and his father's character Jake is younger attractive mercurial and dangerous to know the family misfit When a beautiful young woman comes into the community the fragile balance of sibling rivalry tips over the edge Then there is Ian the family's next generation and far too sure he knows the difference between right and wrong By now it is the fifties and the world has changed a little but not enough These two generations in the small town of Struan Ontario are tragically

interlocked linked by fate and community but separated by a war which devours its young men its unimaginable horror reaching right into the heart of this remote corner of an empire With her astonishing ability to turn the ratchet of tension slowly and delicately Lawson builds their story to a shocking climax Taut with apprehension surprising us with moments of tenderness and humour *The Other Side of the Bridge* is a compelling humane and vividly evoked novel with an irresistible emotional undertow

A Bridge to the Other Side Michael P. Berman, 2012-04-16 *A Bridge to the Other Side* is a collection of articles and traditional folk tales that deal with our feelings about and attitudes towards Death both our own death and that of those nearest and dearest to us A bridge between earth and heaven this world and the next features in the mythology of many different peoples For example in Norse legends Bifr st or Bilr st is a burning rainbow bridge between Midgard the world and Asgard the realm of the gods The bridge is known as Bilr st in the Poetic Edda compiled in the 13th century from earlier traditional sources and as Bifr st in the Prose Edda written in the 13th century by Snorri Stureusson Both the Poetic Edda and the Prose Edda alternately refer to the bridge as Asbr Old Norse sirs means bridge The Persians believed in a bridge between earth and paradise too In his prayers the penitent in his confession would say I am wholly without doubt in the existence of the Mazdayana faith in the coming of the resurrection of the latter body in the stepping over the bridge Chinvat as well as in the continuance of paradise

The Other Side of the Night Daniel Allen Butler, 2020-01-10 The New York Times bestselling author of *Unsinkable* recounts the disaster from the vantage point of nearby vessels Publishers Weekly A few minutes before midnight on April 14 1912 the unsinkable RMS Titanic on her maiden voyage to New York struck an iceberg Less than three hours later she lay at the bottom of the Atlantic Ocean While the world has remained fascinated by the tragedy the drama of those fateful hours was not only played out aboard the doomed liner It also took place on the decks of two other ships one fifty eight miles distant from the sinking Titanic the other barely ten miles away The masters of the steamships Carpathia and Californian Capt Arthur Rostron and Capt Stanley Lord were informed within minutes of each other that their vessels had picked up the distress signals of a sinking ship Their actions in the hours and days that followed would become the stuff of legend as one would choose to take his ship into dangerous waters to answer the call for help while the other would decide that the hazard to himself and his command was too great to risk responding After years of research Daniel Allen Butler now tells this incredible story moving from ship to ship on the icy waters of the North Atlantic in real time to recount how hundreds of people could have been rescued but in the end only a few outside of the meager lifeboats were saved He then looks at the US Senate investigation in Washington and ultimately the British Board of Trade inquiry in London where the actions of each captain are probed questioned and judged until the truth of what actually happened aboard the Titanic the Carpathia and the Californian is revealed Powerful very very well done New York Times bestselling author Clive Cussler
