The Outsiders Chapter 7 Review:

I Won't Grow Up! Anthony Balducci, 2015-11-26 A film archetype as old as film itself the man child has been an enduring comedy subject Classics as diverse as Hail the Conquering Hero 1944 and The Apartment 1960 have used the immature male to drive plots and press the importance of growing up But he was not born fully formed it took the shifting social norms of decades to mold the atrocious behavior of the puerile buffoon we know today The man child has come under scrutiny in recent years Prominent writers including David Denby and A O Scott have criticized the modern comedian behaving in shamelessly childish ways This book provides a comprehensive examination of the character of the man child from Andre Deed who debuted on screen in 1901 to Seth Rogen The author discusses changing cultural attitudes about maturity what it means to be an adult what it means to be a child and how those things are becoming increasingly confused
