Sussman, 2014-10-06 Biological races do

not exist and never have This view is shared by all scientists who study variation in human populations Yet racial prejudice and intolerance based on the myth of race remain deeply ingrained in Western society In his powerful examination of a persistent false and poisonous idea Robert Sussman explores how race emerged as a social construct from early biblical justifications to the pseudoscientific studies of today The Myth of Race traces the origins of modern racist ideology to the Spanish Inquisition revealing how sixteenth century theories of racial degeneration became a crucial justification for Western imperialism and slavery In the nineteenth century these theories fused with Darwinism to produce the highly influential and pernicious eugenics movement Believing that traits from cranial shape to raw intelligence were immutable eugenicists

developed hierarchies that classified certain races especially fair skinned Aryans as superior to others These ideologues proposed programs of intelligence testing selective breeding and human sterilization policies that fed straight into Nazi genocide Sussman examines how opponents of eugenics guided by the German American anthropologist Franz Boas s new scientifically supported concept of culture exposed fallacies in racist thinking Although eugenics is now widely discredited some groups and individuals today claim a new scientific basis for old racist assumptions Pondering the continuing influence of racist research and thought despite all evidence to the contrary Sussman explains why when it comes to race too many people still mistake bigotry for science     The Publishers Weekly ,1884     *Multicultural America* Carlos E.

Cortés,2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural *Multicultural America* A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors     Niles' National Register ,1842 Containing political historical geographical scientific statistical economical and biographical documents essays and facts together with notices of the arts and manufactures and a record of the events of the times     Lawyers' Reports Annotated ,1889     **The Lawyers Reports Annotated** ,1905     **The American Law Register** ,1875     **American Law Register and Review** ,1875     American Law Register ,1875
