Written in a clear, straightforward style, the book covers everything from time management to the difference between *i.e.* and *e.g.* The heart of the book is devoted to how to write a thesis defense paper, with chapters on the structure of a strong paper, the process of writing and revising, matters of style and usage, and scholarly citation. This advice is illustrated with concrete examples throughout, including a complete thesis defense paper written and formatted according to the book's recommendations. The book also covers how to take good notes from various kinds of philosophical sources, how to write other commonly assigned kinds of papers, and how to study for and take a philosophy exam. A chapter on doing philosophical research contains practical advice on how to discover and access the most helpful sources for a philosophical research paper or annotated bibliography. Because virtually every philosophy assignment requires a basic grasp of arguments, the book ends with a chapter introducing some basic concepts and skills for reasoning well. The heart of the sixth edition has been revised and restructured to lead students even more clearly through the process of drafting, revising, and formatting a thesis defense paper. This new edition also includes an updated, completely revised and expanded chapter on citing sources, giving equal consideration to print and online sources; an updated, completely revised and expanded chapter on doing philosophical research, focused on how to find the most helpful sources for completing a philosophical research paper or annotated bibliography; updated, revised and greatly expanded advice on writing style and usage; a completely revised and expanded treatment of good reasoning, with a new discussion of inductive and abductive reasoning; and new advice on how to take good notes and how to study for and
