Trust Me, I'm a Banker David Charters,2025-06-25 In the tradition of American Psycho comes this hilariously cynical and often brutal novel skewering the world of investment banking set in the heart of London high finance Meet Dave Hart just your typical investment banker It s not long until Bonus Day the most important day of the year and anything less than a million pounds would be an insult After all Dave has to buy a new car a new Rolex for his wife and a second home in the country Not to mention support a few personal habits legal or otherwise that gentlemen bankers don t discuss in public Unfortunately a million really isn t what it used to be and no one else seems to value Dave as much as he knows he s worth Luckily competence and charm have never been accurate barometers for success in high finance and Dave just might be able to weasel and blunder his way to the top Extremely funny and razor sharp Trust Me I m a Banker is the tale of one man s quest for outrageous compensation and alpha status in a world where pitiless ambition insecurity and moral ambiguity are second nature and glitter is far more important than gold This flawless social satire is a highly enjoyable voyeuristic glimpse into our modern culture of narcissism materialism and bottomless greed

 THOUGHT SURVIVING THE MOB WAS HARD but surviving her guilt is another thing entirely Running her investigation
 agency is Julep's only distraction from her losses over the last few months With a few new minions on Julep's payroll she's
 been taking on various investigation jobs including one for Mrs Antolini the wife of a computer engineer arrested for
 embezzling a whole lot of money from his company She's convinced he did it at the behest of the New World Initiative a
 leadership cult that just so happens to be run by a grifter who supposedly went straight Julep's not so sure she wants the
 case going up against any grifter even an ex grifter is no joke but Mrs Antolini's story links to a mysterious blue fairy and
 potentially to Julep's own missing mother To complicate matters someone's put a contract on Julep's head so even if she
 manages to take down the con artist at the top of the New World Initiative she may not live to tell the tale With a war on
 multiple fronts and her enigmatic shadow Dani Ivanov as her only protection Julep must face the ghosts of her past to even
 have a chance at surviving the present Will Julep escape the clutches of everyone who wants her dead Worse will she escape
 the burgeoning feelings she's been catching for her mob enforcer bodyguard Get the book now to find out EDITORIAL
