Spiritual Formation as if the Church Mattered James C. Wilhoit, 2022-03-29 Most books on spiritual formation focus on the individual But spiritual formation is at the heart of the church's whole purpose for existence It must

be a central task for the church to carry out Christ's mission in the world. This book offers an introduction to spiritual formation set squarely in the local church. The first edition has been well received and widely used as a textbook. The second edition has been updated throughout, incorporates findings from positive psychology, and reflects an Augustinian formation perspective. Foreword by Dallas Willard. **Faith, Life, and Learning Online** Brant M. Himes, John W. Washatka, 2022-04-08. Faith, Life, and Learning Online is an invitation for faith-based institutions to take bold steps toward integrating a holistic mission of spiritual formation into the online learning environment. For Christian higher education, faith integration is a matter of mission, not modality. Regardless of whether learning happens in the traditional classroom, through hybrid models, or exclusively online, Christian universities have a missional mandate to continue their long legacy of forming students of competence and character. While traditional campuses continue to provide unique and meaningful opportunities for students to grow in their faith, online learning has opened new avenues for engagement and development of spiritual formation. As such, all Christian higher education institutions are now called to take advantage of this unique technological moment to continue to offer transformative opportunities for the holistic integration of faith, life, and learning in the online environment.

Conformed to His Image, Revised Edition Kenneth D. Boa, 2020-10-06. What does a real relationship with God look like? What is the biblical vision of true spiritual life? How do we grow in spiritual maturity? How we answer these questions influences the health, potency, and witness of Christians in an increasingly complex and hostile world. **Conformed to His Image, Revised Edition** answers these questions with clarity and insight, offering a comprehensive, balanced, and applicable guide to spiritual growth. Designed for use in college and seminary courses, but also highly appropriate for any serious Christian wanting to grow, this revised edition helps readers build their lives on a fully biblical foundation. It offers a corrective to our tendency to narrow and compartmentalize spiritual growth by exploring twelve facets of authentic Christian spirituality, which include: Relational Spirituality (Loving God Completely, Ourselves Correctly, and Others Compassionately), Paradigm Spirituality (Cultivating an Eternal versus a Temporal Perspective), Disciplined Spirituality (Engaging in the Historical Disciplines, Exchanged Life Spirituality, Grasping Our True Identity in Christ), Motivated Spirituality (A Set of Biblical Incentives), Devotional Spirituality (Growing in Relationship with God), Holistic Spirituality (Every Component of Life under the Lordship of Christ), Process Spirituality (Process versus Product, Being versus Doing), Spirit-Filled Spirituality (Walking in the Power of the Spirit), Warfare Spirituality (The World, the Flesh, and the Devil), Nurturing Spirituality (A Lifestyle of Evangelism and Discipleship), Corporate Spirituality (Encouragement, Accountability, and Worship). With chapter overviews and objectives, questions for personal application, a glossary, a list of key terms, and helpful appendices, **Conformed to His Image, Revised Edition** provides a defining text for the student, pastor, and church leader of today and tomorrow. This revised edition includes new recommended resources throughout, more recent examples of subjects discussed, and updated wording to better reflect our postmodern context. **Visions of Truth** Mara Lief Crabtree, 2023-11-30. True Spiritual Grit Jr. Grady J. Pennell,2015-02-23 Spiritual grit is character True spiritual grit is character rooted in the person of God Spiritual formation is character development Everyone undergoes spiritual formation either intentionally or most often unintentionally Intentional effort is essential in building spiritual grit At the same time it can never be separated from the grace and good news of Jesus Christ The lessons on spiritual formation in this book were gleaned while ministering to U S Marines and Sailors over almost two decades The study completed in 2006 documents that character can be strengthened intentionally through spiritual formation groups Since retiring from the Navy in 2007 the author has pastored a local church in Alaska The same spiritual formation lessons learned as a chaplain with Marines and Sailors still apply as a pastor Today he applies these same principles to shepherding the hearts of a flock in today s hostile culture just as he did caring for warriors training for combat Grady has been pastor of Eagle River Grace since March 2007 when he retired as a

chaplain from the U S Navy after 26 years In the Navy he served tours of duty on a nuclear submarine a cruiser an aircraft carrier Seabee Battalions and with numerous U S Marine units which included a combat tour in the first Gulf War He has lived in Iceland Spain Korea and Japan He holds a Doctor of Ministry from Fuller Theological Seminary a Masters of Theology from Dallas Theological Seminary and a B S in engineering from Texas A M His active diverse ministry and travels span four decades and over 30 countries Grady and his wife Pat are the parents of two adult children His married son is a youth pastor in Oregon and his daughter serves with a charitable organization in California **Identity Crisis** Dr. Bobby M.

Wagner,2016-06-29 THIS IS THE BEST WAY TO EXPERIENCE ALL YOU WERE CREATED FOR In Identity Crisis you will find power and purpose by putting your faith in the One who can transform your identity Even in crisis He can do far beyond anything you can imagine What s the greatest crisis in our world today Dr Bobby Wagner contends it is our inability to believe in the power of God in our lives Is it possible to read the Bible and believe God does not work powerfully through His people Our miraculous identity in Christ has not ceased our faith in it has It seems we are losing our faith in our God given identity in the Bible in the church and in our world A dramatic transformation takes place when you believe in the power of the Gospel As our unbelief continues one more person misses the Good News As a result of the nearly 75 million Americans who have trusted Jesus Christ for salvation more than 70 million have never shared the Good News In a postmodern and post Christian culture in the midst of a crisis of unbelief the only way souls will be touched is if God s people become witnesses of the power of the Gospel *Advanced Strategic Planning* Aubrey Malphurs,2005-08 Now it its second edition this helpful guide offers a nine step strategic thinking and acting model and numerous useful ideas for equipping a church to carry out its mission
