A brief history of Taekwondo

Taekwondo is a Korean unarmed martial art and currently one of the most widely practiced in the world. The Kukkiwon World Taekwondo Headquarters has registered 20 million black belt holders since its founding in 1972. However, the roots of Taekwondo can be traced back to post World War II in the modern era. There are a great many connections with older martial arts styles in Korea, but these connections are not as clearly defined. Taekwondo is not only kicking and punching, but also a way of living. Taekwondo sparring is an Olympic sport with full medal status. There is also a World Championships for Taekwondo forms.
