I believe that the E Symposium on Industrial and Systems Engineering (ISSE) program and associated learning environment has an exceptionally high regard through its excellent speakers programs that provide excellent education, research, and computer systems as well as other engineering activities. Myself, I have been very involved in providing support for the ISSE program, which has been very successful in engineering and technological changes in technology. I believe that I would have the opportunity to expand on the knowledge I have obtained as an ISSE student. I am excited to be able to provide a good learning system in the E Symposium on Industrial and Systems Engineering through the integration of the students' knowledge and my personal/industry experience as well as my own background.
