*The Contender Vol. 16 No. 1* Rev. Raymond Jackson, 1984-01-01 We are still on the subject of divine healing endeavoring to present enough scriptural evidence to convince true Bible believers that there is no doctrine of divine healing taught in the Bible There are many examples of divine healing to be found in the scriptures and we know that God is a healer but what we need to get settled in our mind is that He cannot be forced to honor any man's doctrine on the subject Any conviction that you may have about going to the doctor or not going to the doctor should be treated only as a personal conviction and not taught as a universal church doctrine for you simply cannot make any such doctrine line up with all the scriptures We read something in the papers ever so often where some poor soul gets into trouble trying to live up to someone else's convictions on the subject May I say You will always get into trouble trying to follow someone else if you do not have a personal conviction about what you do and say and allow
