endearingly eccentric characters who embody the insecurities and foibles that all of us former prom desperados band nerds the burnout brigade and loner stiffs have and hope nobody else will notice

Myth-land Frederick Edward Hulme, 1886

The Death of Democracy Benjamin Carter Hett, 2018-04-03 A riveting account of how the Nazi Party came to power and how the failures of the Weimar Republic and the shortsightedness of German politicians allowed it to happen Why did democracy fall apart so quickly and completely in Germany in the 1930s How did a democratic government allow Adolf Hitler to seize power In The Death of Democracy Benjamin Carter Hett answers these questions and the story he tells has disturbing resonances for our own time To say that Hitler was elected is too simple He would never have come to power if Germany's leading politicians had not responded to a spate of populist insurgencies by trying to co opt him a strategy that backed them into a corner from which the only way out was to bring the Nazis in Hett lays bare the misguided confidence of conservative politicians who believed that Hitler and his followers would willingly support them not recognizing that their efforts to use the Nazis actually played into Hitler's hands They had willingly given him the tools to turn Germany into a vicious dictatorship Benjamin Carter Hett is a leading scholar of twentieth century Germany and a gifted storyteller whose portraits of these feckless politicians show how fragile democracy can be when those in power do not respect it He offers a powerful lesson for today when democracy once again finds itself embattled and the siren song of strongmen sounds ever Austria Behind the Mask Paul Lendvai, 2023-08-03 Austria has long been considered a European success story a louder land locked country on the losing side of World War Two which emerged from ten years of post war occupation as one of the EU s richest member states a symbol of social consensus and political independence at the heart of Europe But in the 2020s the forward march of the far right populist FP threatens the return of old demons extreme xenophobic racism and economic and political instability The governing partnership between Austria's youngest ever Chancellor and the extreme right party lasted less than two years but has left a wreckage of corruption scandals including an ongoing investigation of fraud at the top A cosy relationship with Russia particularly President Putin has cast a shadow over Austria s neutrality and reputation as a reliable EU partner Belated confrontation of the Nazi past and the lingering legacy of the imperial nobility further muddy the waters while the long decline of social democracy the bedrock of post war nation building has been equalled by the weak performance of the ruling conservative green coalition damaging trust in democracy Mixing personal memories with high political drama Paul Lendvai reveals the knotted web of forces which have driven Austria to its current perilous state Paul Lendvai a Hungarian born Austrian journalist Segnius Irritant: or Eight Primitive Folk-Lore Stories Karel Jaromír Erben.1896 Segnius irritant: or Eight primitive folk-lore stories, tr. and compared, with notes, comments, tables; and two suppl. essays, by W.W. Mark Connelly, 2014-07-10 We Can Take It shows that the British remember the war in a peculiar way thanks to a mix of particular images and evidence Our memory has been shaped

by material which is completely removed from historical reality These images including complete inventions have combined to make a new history The vision is mostly cosy and suits the way in which the Britons conceive of themselves dogged good humoured occasionally bumbling unified and enjoying diversity In fact Britons load their memory towards the early part of the war Dunkirk Blitz Battle of Britain rather than when we were successful in the air or against Italy and Germany with invasions This suits our love of being the underdog fighting against the odds and being in a crisis Conversely the periods of the war during which Britain was in the ascendant are perversely far more hazy in the public memory Summer Roger Kahn, 2011-02-22 A moving elegy to the best team the majors ever saw the Brooklyn Dodgers of the 1950s New York Times The classic narrative of growing up within shouting distance of Ebbets Field covering the Jackie Robinson Dodgers and what s happened to everybody since This is a book about young men who learned to play baseball during the 1930s and 1940s and then went on to play for one of the most exciting major league ball clubs ever fielded the team that broke the color barrier with Jackie Robinson It is a book by and about a sportswriter who grew up near Ebbets Field and who had the good fortune in the 1950s to cover the Dodgers for The Herald Tribune This is a book about what happened to Jackie Carl Erskine Pee Wee Reese and the others when their glory days were behind them In short it is a book about America about fathers and sons prejudice and courage triumph and disaster and told with warmth humor wit candor and love Summer in the Sierra John Muir, 2010-07-01 In the summer of 1869 John Muir set out from California's Central Valley with a flock of sheep and trekked into the foothills of the Sierra Nevada His journals describe the summer he spent in what would become Yosemite National Park Celebrating the Sierra's lizards and mountain lions tall trees and waterfalls fierce thunderstorms and bears Muir raises an awareness of nature to a spiritual dimension John Muir is internationally acknowledged as one of the founding fathers of modern conservation and his vision passion and integrity continue to inspire readers today particularly in this his best loved book The Great Dionysiak Myth Robert Brown, 1877 The Literary Digest Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1909 100 American Horror Films Barry Keith Grant, 2022-03-24 A well plotted survey Total Film In <u>Literary Digest</u>, 1909 100 American Horror Films Barry Keith Grant presents entries on 100 films from one of American cinema's longest standing
