Schiller,Karen Gebhardt,2021-04-28 Fortunately *The Micro Economy Today* is exceptionally well suited for this task From its inception this text has been motivated by policy issues The primary goal has been to help students understand the challenges of economic policy and the consequences of specific actions like tariffs regulation and tax reform It has always provided a balanced discussion of these issues allowing students to assess different perspectives on critical issues For this edition instructors will particularly appreciate the unique chapters that provide a solid foundation for explaining illustrating and assessing major Trump initiatives      *Loose-Leaf The Micro Economy Today* Bradley R. Schiller,Karen Gebhardt,2018-01-22 *The Microeconomy Today* is noted for three great strengths readability policy orientation and effective pedagogy The accessible writing style engages students and brings the excitement of domestic and global economic news into the classroom Schiller emphasizes how policymakers must choose between government intervention and market reliance to resolve the core issues of what how and for whom to produce These strategic trade offs are highlighted throughout the full range of micro and and international issues and every chapter ends with a policy issue that emphasizes the markets vs government dilemma The authors teach economics in a relevant context filling chapters with the real facts and applications of economic life *The Microeconomy Today* 15th edition is thoroughly integrated with adaptive digital tools and dynamic interactive resources available in Connect proven to increase student engagement and success  
**The Economics Anti-Textbook** Rod Hill,Professor Tony Myatt,2010-03-11 Mainstream textbooks present economics as an objective science free from value judgements that settles disputes by testing hypotheses that applies a pre determined body of principles and contains policy prescriptions supported by a consensus of professional opinion *The Economics Anti*

Textbook argues that this is a myth one which is not only dangerously misleading but also bland and boring It challenges the mainstream textbooks assumptions arguments models and evidence It puts the controversy and excitement back into economics to reveal a fascinating and a vibrant field of study one which is more an art of persuasion than it is a science The Economics Anti Textbook s chapters parallel the major topics in the typical text beginning with a boiled down account of them before presenting an analysis and critique Drawing on the work of leading economists the Anti Textbook lays bare the blind spots in the texts and their sins of omission and commission It shows where hidden value judgements are made and when contrary evidence is ignored It shows the claims made without any evidence and the alternative theories that aren t mentioned It shows the importance of power social context and legal framework The Economics Anti Textbook is the students guide to decoding the textbooks and shows how real economics is much more interesting than most economists are willing to let on **Loose-Leaf the Microeconomy Today** Bradley Schiller,Karen Gebhardt,2023-11-28 POLICY ORIENTED

RELEVANCY READABILITY RELIABILITY The Micro Economy Today has long been recognized as the most policy oriented introduction to economics The text begins by depicting the President of the United States as the Economist in Chief and mentions some of the policy decisions he confronts Every chapter emphasizes that theme by highlighting and analyzing policy issues Every edition continues to be updated to present the latest most pressing policy issues The 17th edition is no exception filled with the latest in economic trends policy and data as well as examples using topics ripped from today s headlines that will resonate with students and help them connect concepts they re learning to the real world and deepen their understanding in a way that they can relate to and is meaningful The relevancy and readability of the 17th edition are reinforced with a variety of unique features all new questions and problems and robust integration with Connect The authors have worked to ensure The Micro Economy Today is tightly integrated with the adaptive digital tools and dynamic interactive resources available in Connect Connect is proven to increase student engagement and success For professors there is also an updated instructor guide to bring new ideas to your course no matter the format **How the Economy was Lost** Paul
