B. Stamper, Judith Bauer Stamper, 1989 Thirteen stories of horror **The Midnight Hour** Eve Chase, 2025-08-05 In this thrilling richly woven novel that spans from bustling London streets to the boulevards of Paris a woman with a dark family secret tries to turn back the hands of time before it s too late A wonderful twisty novel of family and secrets the perfect summer read Kate Morton bestselling author of *Homecoming* *Notting Hill* London One May evening seventeen year old Maggie Parker s mother walks out of their front door and doesn t return With her little brother in tow desperate to find their mother Maggie is drawn into a labyrinthine world of secondhand shops and shadowy figures far from the grand townhouses in her comfortable neighborhood As Maggie struggles to maintain a stable life for herself and her brother she befriends Wolf another young person also living on his wits alone But can he help solve the mystery of her mother s disappearance or will her growing feelings for him just cause her further pain upending her life even more When she discovers that her beloved house now holds a dangerous new secret and Wolf is involved Maggie heartbroken makes her escape Twenty one years later in her Paris apartment Maggie gets a phone call that shatters her hard won new life While in London the incoming owner of the Parkers old Notting Hill house is excavating the basement unaware of what might lie beneath and the clock starts ticking on buried secrets *Waiting 'Til the Midnight Hour* Peniel E. Joseph, 2007-07-10 This vibrant and expressive history of the Black Power movement captures the voices and personalities at the forefront of change Philadelphia Inquirer With the rallying cry of Black Power in 1966 a group of black

activists including Stokely Carmichael and Huey P Newton turned their backs on Martin Luther King's pacifism and building on Malcolm X's legacy pioneered a radical new approach to the fight for equality Drawing on original archival research and more than sixty original oral histories Peniel E Joseph vividly invokes the way in which Black Power redefined black identity and culture and in the process redrew the landscape of American race relations In a series of character driven chapters we witness the rise of Black Power groups such as the Student Nonviolent Coordinating Committee and the Black Panthers and with them on both coasts of the country a fundamental change in the way Americans understood the unfinished business of racial equality and integration Waiting Til the Midnight Hour traces the history of the Black Power movement that storied group of men and women who would become American icons of the struggle for racial equality A Washington Post Book World Best Nonfiction Book of 2006 *The Midnight Hour* Benjamin Read, Laura Trinder, 2020-03-03 For fans of portal fantasies like Jessica Townsend's Nevermoor Colin Meloy's Wildwood and The Spiderwick Chronicles by Tony DiTerlizzi and Holly Black and unlike so many other fantasies that introduce readers to a world of enchantment and wonder The Midnight Hour is one filled with beasts and monsters for readers looking to shine their flashlights under the covers When strange late night letters start arriving at home Emily's parents set off to investigate But when her parents disappear completely and Emily is left home alone to face the weird strangers that begin to appear at her door she takes all of the clues at her disposal and makes for the place where the letters came from the mysterious Night Post What she'll discover is the secret world of the Midnight Hour a Victorian London frozen in time full of magic and monsters Kept safe by an age old agreement the Night Folk have been exiled to a parallel world that can only be accessed by a selected few including the mail carriers of the infamous Night Post that operate between the two worlds Emily's parents are key players in keeping the Night Folk safe but when the division of the two worlds is threatened Emily must search for her parents while navigating this dark and unknown version of London Armed only with a packed lunch her very sleepy pocket hedgehog and her infamously big argumentative mouth she must escape bloodthirsty creatures of the night figure out her own family secrets and maybe just save the world This is a frightening and enchanting story a world built out of creatures from our worst fears who become relatable fully formed characters unlike any we've seen as these strangers of parallel worlds band together to save the day **Closing Doors** Latonya C. Smith, 2017-05-30 The Lord then said to Noah Go into the ark you and your whole family because I found you righteous in this generation Genesis 7:1 Closing Doors is a dynamic expose on who what and why bloodlines and generations are robbed of purpose Prophet LaTonya releases insight with prophetic precision that will enlarge the capacity of each reader to possess the inheritance of their families through deliverance healing and wholeness This book will empower you to Identify hidden contraband that hinders generational transfers of blessings Dig for your family's assets Banish family iniquities proclivities Transfer legacy to your generations The Prophetic penmanship of Closing Doors will challenge you into action until manifestation becomes evident Birthrights and blessings are in your divine covenant with God Your life's

paradigm as it relates to bloodlines generations ministry and the nations will shift even as you read the book Are you Repeatedly encountering cyclic setbacks Called to ministry and yet your fruit is temporal Encountering repeated battles of sin structures and demonic strongholds in your family Challenged with your destiny seemingly drifting further away You can expect this book to answer these questions with clarity The call to action is CLOSE the DOOR **AT THE MIDNIGHT HOUR** Alicia Scott,2012-07-16 A Child s Keeper Elizabeth Guinness had her work cut out for her Her precocious young charge quoted morbid statistics twenty four hours a day desperately seeking just one ounce of his father s affection But brilliant scientist Richard Keaton seemed incapable of love especially after the murder that had left Andrew motherless and Richard the prime suspect Though everyone believed Richard to be guilty Liz knew she couldn t blindly trust either the rumors or her attraction to her intensely private employer But she was hell bent on unlocking his heart s demons and reuniting his fractured family until she realized that getting involved just might get her killed **Psychoanalysis and Spiritual Psychology** Rudolf Steiner,1990-08 In these five lectures Steiner lays the foundations for a truly spiritual psychology The first two lectures constitute a critical examination of the principles of Freud and Jung The last three lectures begin with a description of the threefold structure of human consciousness and go on to outline a psychology that takes into account both the soul s hidden powers and the complex connections between psychological and organic bodily processes Robert Sardello co director of the Dallas Institute for Humanities and Culture has contributed an important introduction from the perspective of a practicing psychotherapist **The Midnight Hour; Or, the Fatal Friendship. A Simple Tale** MIDNIGHT HOUR.,1808 The Power of Prayer ,2025-06-11 There is something unexplainable that happens when a heart cries out to God and heaven leans in to listen Prayer is not just a habit or a duty It is the lifeline between the soul and its Savior It is the holy ground where weak words touch Almighty strength It is the sacred place where the invisible becomes real and the impossible begins to move Prayer is where burdens are laid down and peace is picked up It is where confusion gives way to clarity It is where wounds begin to heal not because we fix them but because we finally give them to the One who can In prayer we trade our fear for His courage We exchange our sorrow for His joy We offer our small faith in return for His great power Every page of Scripture echoes the truth that God hears God answers God moves when His people pray Elijah called down fire Hannah poured out her soul through tears Daniel knelt to pray even when it was forbidden Jesus wept and prayed in Gethsemane before facing the cross The Word of God keeps proving that prayer is not a last resort It is the first and strongest move of faith If you have ever wondered if your prayers matter they do If you have questioned whether your voice is heard it is If you have doubted whether heaven moves for someone like you this book was written for you The power of prayer is not in perfect words It is not in polished faith It is in a willing heart that dares to speak to the God who listens The same power that met saints of old still waits to meet you One person One prayer One God who never stops answering
