

So more than she is. When another festival-goer mistakes her for someone named Alyce, Brat flings away her old name and adopts the name Alyce because it feels like the name of someone worthwhile.

As Alyce, the girl finds her confidence growing, and the villagers begin to treat her less poorly. One night, Alyce and the midwife are called to a difficult birth. The midwife is sure the mother and baby will die, so she leaves Alyce while she goes to help a richer family, taking the kindness and compassion she's learned from her new friends in the village. Alyce helps the mother down from her panic and helps deliver the baby, much to the midwife's chagrin. Sometime later, another family calls Alyce for a birth. After studying the midwife's techniques, Alyce is sure she can handle it, but she is unable to do so without the midwife's help.

Shamed of her failure, Alyce leaves the village and becomes a chore girl at an inn in a nearby town. She remains there for several months as she tries and fails to overcome her feelings of inadequacy, all the while learning to read from a magistrate who's staying at the inn to write a book. Through this and her successes at other tasks, Alyce begins to regain her confidence, which is nearly shattered again when the midwife visits the inn. Alyce is sure the woman is there to berate her for failing, so she hides. Instead, Alyce overheard the midwife tell the magistrate that Alyce ran at the first sight of difficulty, a bad quality for a midwife.

Unwilling to deal with being a failure, Alyce stays at the inn, not ready to return to the village. One night, a group of rich people arrives at the inn, one of the women in labor. Alyce is terrified, but she steps in to help with the delivery and saves the lives of both the mother and baby. Afterward, the grateful family offers her a position caring for their child, but Alyce turns it down. She knows now that being a midwife is a mix of successes and failures, and she returns to the village, willing and ready to do her best and accept her mistakes.
