make sure you're satisfied Crown Prince Nicholas Lytton was never supposed to be ruler of Callanos. He was the spare to the heir pursuing a decadent life of the rich and royal extreme sports, physical pleasures and glorious irresponsibility. Until his brother died. Now Nick is to be coronated king and no one believes he's ready. The best way to secure his crown is to do the unthinkable: find a queen. While Isabel Reynolds works in the palace gardens, she has no desire to draw the attention of the way-too-flirty would-be king. For she's not the woman everyone thinks she is. Even if she wanted or was tempted by the promise of love, it would only end in disaster. Because while Isabel may be able to catch a king, her secrets would only destroy him.

Real estate development CEO Blake Whitman is an Aquarius with a philanthropic nature, but when it comes to work, he's driven and focused, and he would never ever mix business with pleasure. As far as he's concerned, office romance is off the table. He also never backs down from a challenge, and Kira Layton just accused him of ruining the community. What better way to get her on his side than to hire her? But the more he tells himself to keep his hands off his new sexy secretary, the harder it is for him to come up with reasons why office romances never work and why it's a bad idea to cross the line.

Millionaire Under the Mistletoe Stefanie London, 2016-11-14. Stella Jackson would rather stab herself in the eye with her own stiletto than return to England. Especially in winter. But to fulfill her grandfather's last wish, she has to spend Christmas at the estate she inherited from him, with the one man she wishes she could forget. Self-made millionaire Evan Foss wants one thing from Stella: her estate. But thanks to their rocky past, he's the last person she'll sell to. So when she takes him up on a bet with the estate as the prize, Evan can't believe his luck. The only problem is that seeing her now sexy and all grown up tempts Evan to finish what started years ago between them.
