Civil Establishments of Christianity, the Nicene Heresy of Antichrist, and the Doctrine of the Millennium** Alfred Addis,1830      *Mosaics in the Medieval World* Liz James,2017-10-05 In this book Liz James offers a comprehensive history of wall mosaics produced in the European and Islamic middle ages Taking into account a wide range of issues including style and iconography technique and material and function and patronage she examines mosaics within their historical context She asks why the mosaic was such a popular medium and considers how mosaics work as historical documents that tell us about attitudes and beliefs in the medieval world The book is divided into two part Part I explores the technical aspects of mosaics including glass production labour and materials and costs In Part II James provides a chronological history of mosaics charting the low and high points of mosaic art up until its abrupt end in the late middle ages Written in a clear and

engaging style her book will serve as an essential resource for scholars and students of medieval mosaics
