The Myth of Maturity Terri Apter, 2015-05-20 Parents and young adults alike should benefit from the advice in Apter's insightful book Washington Post What do young people at the threshold of adulthood really need and want Why do so many responsible and motivated teenagers become young adults who are still dependent financially and emotionally on their parents Why are many young people today so quick to leave childhood behind but so slow to become adults In this wise and compassionate book Terri Apter debunks outdated and misguided ideas about maturity Acting in the name of love many parents withdraw emotional or practical support thinking it best for a son or daughter to solve his or her own problems even to suffer alone the consequences of mistakes Apter shows us that young adults actually need a parent's guidance and support while also requiring respect and independence Based on carefully observed case studies and current research this book describes how we can support young people through a crucial stage in their development The Idea of Design Victor Margolin, Richard Buchanan, 1995 An anthology of essays addressing the nature and practice of contemporary product and graphic design selected from volumes four through nine of the international journal Design Issues Themes include reflection on the nature of design the meaning of products and the place of design in world culture Includes b/w photos and illustrations c Book News Inc *The Cry for Myth* Rollo May, 1991-05 Rollo May respected therapist and bestselling author of Love and Will discusses the relationships between myths and the subconscious showing how myths can provide meaning and structure for those who seek direction in a confused world Here are case studies in which myths have helped Dr May's patients make sense out of an often senseless world **The Mythology of the Aryan Nations in Two Volumes by George W.
