George Edward Plumbe, James Langland, Claude Othello Pike, 1910 **AsiaCom** , 1999 **The Daily News Almanac and Political Register for ...** , 1910 **Language-related Conflicts in Multinational and Multiethnic Settings** Barbora Moormann-Kimáková, 2015-11-18 In this book Barbora Moormann Kim kov analyses the possibility of finding an optimal language regime in multinational and multiethnic countries either by defining the contents of an optimal language regime or with the help of a criterion enabling to evaluate whether a language regime is optimal or not The process of the selection or change of a language regime often becomes a matter of a language related conflict These conflicts are mostly accompanied by other political or social conflicts as for example in Ukraine or former Yugoslavia which render solutions and their evaluation difficult The author claims that language regimes can be evaluated based on the increase or lack of their legitimacy in the eyes of the relevant actors This is demonstrated in four language regime studies on the European Union Soviet Union Bosnia and Herzegovina and South Africa *The Handbook of Field Marketing* Alison Williams, Roddy Mullin, 2009-06-03 If you are involved in field marketing this is the book for you Whether you are working within a company and seeking to employ a field marketing agency or you work for such an agency and want to ensure best practice The Handbook of Field Marketing is the essential handbook for success Crammed with self study questions case studies and proven advice for success this book offers a blueprint for best practice enabling you to undertake robust rigorous and meaningful brand research The Handbook of Field Marketing reveals the best techniques to ensure profitable brand maximization for your company s products or those of the client company whether measured by brand visibility product availability positioning performance against competitors or overall sales performance
