Patel, Mary Kubica, Anne Girard, Paula Treick DeBoard, Jason Mott, Heather Gudenkauf, Kimberly Belle, Karma Brown, Alex Brunkhorst, 2015-05-04 Thrilling and illuminating LA Times A hypnotic psychological thriller People A chance encounter sparks an unrelenting web of lies in this new gripping and complex psychological thriller from the New York Times bestselling author of The Good Girl and the upcoming page turner Don't You Cry Mary Kubica She sees the teenage girl on the train platform standing in the pouring rain clutching an infant in her arms She boards a train and is whisked away But she can't get the girl out of her head Heidi Wood has always been a charitable woman she works for a nonprofit takes in stray cats Still her husband and daughter are horrified when Heidi returns home one day with a young woman named Willow and her four month old baby in tow Disheveled and apparently homeless this girl could be a criminal or worse But despite her family's objections Heidi invites Willow and the baby to take refuge in their home Heidi spends the next few days helping Willow get back on her feet but as clues into Willow's past begin to surface Heidi is forced to decide how far she's willing to go to help a stranger What starts as an act of kindness quickly spirals into a story far more twisted than anyone could have anticipated More Praise Hypnotic and anything but predictable Kirkus starred review A superb psychological thriller stunning Publishers Weekly starred review Read the New York Times bestselling novel that everyone is talking about The Good Girl by Mary Kubica Look for Mary's latest complex and addictive tale of deceit and obsession Don't You Cry Order your copies today **Treasure Trove** Alistair Lavers, 2018-10-12 Treasure Trove is a joyous romp of a comedy novel taking place in a Yorkshire seaside town and revolving around a whole host of amusing characters of questionable integrity and their search for ancient treasure **Everybody Has Everything** Katrina Onstad, 2013-06-25 Several chaotic poignant and life changing weeks pose a fraught question to a most unusual family in this moving emotionally gripping novel Can everyone be a parent After years of unsuccessful attempts at conceiving a child Ana and James become parents overnight when a terrible accident makes them guardians to 2 year old Finn Suddenly two people who were struggling to come to terms with childlessness are thrust into the opposite situation they are completely responsible for a small toddler whose mother's survival is in question Finn's crash landing in their tidy urban lives throws into high relief some troubling truths about Ana and James's deepest selves both separately and as a couple **Franco American Dreams** Julie Taylor, 1997-07-03 Her name is Abbie She is nineteen and she has had it with guys Especially the wrong guys Cause that's all she ever seems to meet Oh she likes guys just fine and they are kind of necessary in a Mother Nature sort of way but she is just over it with the ones who drink all the time and are forever taking pills and drifting off into their own little private Idaho Abbie will just concentrate on getting through this final year of schooling in fashion design because once outta here she is off to make her name She's got her roommate Georgette and her best friend Pat and they will be all the companionship she needs And then she meets Franco Dream on Abbie Dream on In a style so fresh and original that it seems to practically reinvent prose and

with an energy that grabs the reader from the very outset first time novelist Julie Taylor succeeds with Franco American Dreams in bringing to life characters that defy you not to love them no matter what your age They and their story are funny fabulous far out and so very very real Mother Jones Magazine ,1990-06 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1972 Hot Springs Drive Lindsay Hunter,2023-11-07 The third title in Roxane Gay Books inaugural list Hot Springs Drive is an urgent vicious blade of a novel about a shocking betrayal and its aftermath asking just how far you ll go to have everything you want Jackie Stinson s best friend is dead and everyone knows who killed her Jackie wants to be many things but a martyr has never been one of them She is an ex emotional eater and mother of four who has finally lost the weight she long yearned to be free of In her new sharp edged body she goes by Jacqueline But leaving her old self behind proves harder than she ever imagined And while she believes she should be happier misery still chases her and motherhood threatens to subsume what little is left of her Jacqueline s only salve is her best friend Theresa whose seemingly perfect life she desperately covets Since they met in the maternity ward fifteen years earlier the two have survived the trials of motherhood side by side Theresa with her quiet cherubic daughter and Jacqueline with her rambunctious unruly boys Their bond is tight but it is not enough to keep Jacqueline finally moving through the world in the body she has always wanted from stealing a bit of Theresa s perfect life Hot Springs Drive is a dark heart pounding exploration of one woman s deepest desires and how the consequences of betrayal can ripple outward beyond the initial strike point In her third and fiercest novel acclaimed literary voice Lindsay Hunter deftly peels back the fragile veneer of two suburban families and the secrets roiling between them The Crosslinguistic Study of Language Acquisition Dan Isaac Slobin,2014-03-05 In this final volume in the series the contributors attempt to expand the contexts in which child language has been examined crosslinguistically The chapters build on themes that have been touched on anticipated and promised in earlier volumes in the series The study of child language has been situated in the disciplines of psychology and linguistics and has been most responsive to dominant issues in those fields such as nativism and learning comprehension and production errors input and universals of morphology and syntax The context has primarily been that of the individual child interacting with a parent and deciphering the linguistic code The code has been generally treated in these volumes as a system of morphology and syntax with little attention to phonology and prosody Attention has been paid occasionally to the facts that the child is acquiring language in a sociocultural setting and that language is used in contexts of semantic and pragmatic communication In addition there has been a degree of attention paid to the interactions between language and cognition in the process of development As for individual differences between children they have been discussed in those studies where they could not be avoided but such variation has rarely been the focus of systematic attention Differences between individual languages have been of great interest but these differences have

not often been placed in a framework of systematic typological variation And although languages and their grammars change over time the focus of attention on the individual child learner has generally led to neglect of explanatory principles that are best found on the level of linguistic diachrony rather than the level of innate ideas or patterns of learning and cognition in the individual child The chapter authors seek to explore these neglected contexts in more depth
