The Panopticon Deception The Panopticon Trilogy Book 1:

The Contemporary African American Novel E. Lâle Demirtürk, 2012-07-20 This book examines the post 1990s African American novels namely the neo urban novel and develops a new urban discourse for the twenty first century on how the city as a social formation impacts black characters through everyday discursive practices of whiteness The critique of everyday life in a racial context is important in considering diverse forms of the lived reality of black everyday life in the novelistic representations of the white dominant urban order African American fictional representations of the city have political significance in that the neo urban novel explores the nature of the American society at large This book explores the need to understand how whiteness works what it forecloses and what it occasionally opens up in everyday life in American society

The Intensification of Surveillance Kirstie Ball, Frank Webster, 2003-09-20 Our public and private lives are under surveillance as never before Whether we are shopping with a credit card walking down the street or emailing a colleague at work our activities are closely monitored Since September 11th 2001 surveillance has intensified further Yet although individuals groups governments and states are more closely monitored our security is not assured This book explores the vast range of issues related to increased surveillance What is going on in an area clouded by secrecy from the state and complacent reassurances from corporations How do we track suspects and combat crime without also eroding our civil liberties and sacrificing our rights to privacy Does electronic tagging of prisoners work What are retailers up to with lifestyle profiling Focusing on these and other issues such as paedophilia money laundering information warfare cybercrime and related legislation this book spotlights benefits and costs of surveillance and suggests how it is likely to develop in the future

Ghost Channels Amy Lawrence, 2022-03-08 Through American history often in times of crisis there have been periodic outbreaks of obsession with the paranormal Between 2004 and 2019 over six dozen documentary style series dealing with paranormal subject matter premiered on television in the United States Combining the stylistic traits of horror with earnest accounts of what are claimed to be actual events paranormal reality incorporates subject matter formerly characterized as occult or supernatural into the established category of reality TV Despite the high number of programs and their evident popularity paranormal reality television has to date received little critical attention *Ghost Channels Paranormal Reality Television and the Haunting of Twenty First Century America* provides an overview of the paranormal reality television genre its development and its place in television history Conducting in depth analyses of over thirty paranormal television series including such shows as *Ghost Hunters* *Celebrity Ghost Stories* and *Long Island Medium* author Amy Lawrence suggests these programs reveal much about Americans contemporary fears Through her close readings Lawrence asks What are these shows trying to tell us and What do they communicate about contemporary culture if we take them seriously and watch them closely Ridiculed by nearly everyone paranormal reality TV shows with their psychics ghost hunters and haunted houses provide unique insights into contemporary American culture Half horror half documentary realism these shows expose deep
