

About the backup battery

The backup battery, which is a primary cell, is used to maintain the clock and the alarm when the main battery is removed. The battery keeps the clock and the alarm working in the event of a power interruption.

Knowing when to replace the battery

When the battery becomes weak, the "LO" indicator appears on the display. At the same time, the alarm may not work properly. The battery should be replaced when the "LO" indicator appears on the display. The battery should be replaced when the "LO" indicator appears on the display. The battery should be replaced when the "LO" indicator appears on the display.

Installing and replacing the backup battery

1. Keep the AC plug connected to the AC outlet, remove the cover that covers the battery compartment at the rear of the unit using a screwdriver, and remove the battery compartment. For the "LO" indicator, see the "Setting the clock for the first time" section.
