Academic Biliteracies David M. Palfreyman, Christa van der Walt, 2017-03-02 Research on academic literacy within higher education has focused almost exclusively on the development of academic literacy in English This book is unique in showing how students use other languages when they engage with written academic content whether in reading discussing or writing and how increasingly multilingual higher education campuses open up the possibility for students to exploit their multilingual repertoires in and

around reading writing for academic purposes Chapters range from cases of informal student use of different written languages to pedagogical institutional and disciplinary strategies leveraging multilingual resources to develop biliteracy They are ordered according to two dominant themes The first includes accounts of diverse multilingual contexts where biliteracy practices emerge in response to the demands of academic reading and writing The second theme focuses on more deliberate attempts to teach biliteracy or to teach in a way that supports biliteracy The collection will be of interest to researchers higher education practitioners and students of multilingual higher education and academic literacy Proceedings of the International Conference on Education Research Reza Hosseini, Emancipatory Human Rights and the University Felisa Tibbitts, André Keet, 2023-08-25 This volume explores the application of human rights to higher education through a critical lens Combining theoretical and applied perspectives it asks what a human rights framework grounded in liberation and justice can offer to ways of working and teaching practices in higher education Human rights in this edited compilation call for continuous critical engagements around the higher education transformation project The book recognizes human rights simultaneously as law values and emancipatory vision It showcases global north and global south perspectives and encourages a dialogue between the human rights approach and other approaches to higher education transformation such as decolonialization anti racism diversity and inclusion and intersectionality Individual chapters featuring a range of case studies written from global south and north perspectives critically examine higher education practices linked with human rights ranging from curricular practices to student activism and community partnerships The critical space of the university and its role in the transformation of society is therefore viewed in multi dimensional ways Underlining the value of applying human rights as a framework in understanding and designing higher education transformation the book will be of great interest to scholars researchers and post graduate students in the fields of the sociology of education human rights education higher education and social justice education **From Hope to Action through Knowledge** Ramesh Bharuthram, Larry Pokpas, 2020-10-27 Its November 2001 A university in dire straits financially bankrupt burdening a debt in excess of R100 million a disillusioned and demoralised staff complement still reeling from the trauma of retrenchments coupled with an academic project facing collapse as student numbers dwindle by a third to less than 10 000 Is there a future for such an institution described by some as a basket case with very bleak prospects of survival This was the landscape that confronted the newly appointed Vice Chancellor and Chief Executive Officer CEO of the University of the Western Cape Fast forward to December 2014 The CEO retires from office bestowing upon his successor a financially sound institution with a flourishing academic project recording unprecedented achievements enriching the lives of more than 20 000 students and widely acknowledged as a research led university This book narrates how visionary leadership with the steadfast belief that your past does not determine your future galvanised an entire organisation into believing that a better outcome was indeed achievable and the will to move forward as a collective with a redefined purpose and commitment to achieve that which was

once deemed impossible **Academic and Student Affairs in Collaboration** Mitchell A. Levy, Bernard A. Polnariiev, 2016-06-10 *Academic and Student Affairs in Collaboration* provides a comprehensive and evidenced based understanding of the partnerships necessary to achieve an institutional culture devoted to student success Chapter authors explore how to design implement and assess collaborative efforts between student and academic affairs in support of increased student success This book provides best practices for fostering and enhancing campus dialogue career development pathways academic support services and other important initiatives to increase retention and learning outcomes improve motivation and goal attainment and enhance institutional accountability This book is a must read for scholars faculty leaders and practitioners in Student Affairs and Higher Education interested in achieving student success at their universities and colleges **The Handbook of Global Interventions in Communication Theory** Yoshitaka Miike, Jing Yin, 2022-03-10 *Moving beyond the U S Eurocentric paradigm of communication theory* this handbook broadens the intellectual horizons of the discipline by highlighting underrepresented especially non Western theorists and theories and identifies key issues and challenges for future scholarship Showcasing diverse perspectives the handbook facilitates active engagement in different cultural traditions and theoretical orientations that are global in scope but local in effect It begins by exploring past efforts to diversify the field continuing on to examine theoretical concepts models and principles rooted in local cumulative wisdom It does not limit itself to the mass interpersonal communication divide but rather seeks to frame theory as global and inclusive in scope The book is intended for communication researchers and advanced students with relevance to scholars with an interest in theory within information science library science social and cross cultural psychology multicultural education social justice and social ethics international relations development studies and political science *A Century of Geography at Stellenbosch University 1920-2020* Gustav Visser, Jan de Waal, 2020-09-28 *A Century of Geography at Stellenbosch University 1920-2020* focuses on the establishment and development of geography as an academic discipline at Stellenbosch South Africa s founding geography department The ways in which the department currently operates are deemed fundamentally joined to its past and pave the way for the evolution of geography and its various subdisciplines going forward The investigation seeks to highlight the development of the discipline and its institutionalisation as part of the academic offerings of the university while providing details about the teaching and research conducted as well as of the people who contributed to these endeavours It also furnishes the academic geography community at Stellenbosch and geography more broadly with some insights into its past development and more recent changes along with a complete bibliography of conducted research **Museum Times** Leslie Witz, 2022-06-10 *Museums flourished in post apartheid South Africa* In older museums there were renovations on the go and at least fifty new museums opened Most sought to depict violence and suffering under apartheid and the growth of resistance These unlikely journeys are tracked as museums became a primary setting for contesting histories From the renowned Robben Island Museum to the almost

unknown Lwandle Migrant Labour Museum the author demonstrates how an institution concerned with the conservation of the past is simultaneously a site for changing history Reflections of South African Student Leaders: 1994 to 2017 Ntokozo Bhengu,Denyse Webbstock,2020-05-13 Reflections of South African Student Leaders 1994 2017 brings together the reflections of twelve former SRC leaders from across the landscape of South African universities Reviews of the previous volume 1981 2014 suggested that it contributed significantly to a better understanding of the stringent demands of visionary and transformative leadership required by university leaders in the fastchanging and increasingly complex public higher education sector This volume is based on comprehensive interviews with former student leaders each of whom provided a personal account in their own words of their experience in the position of student leadership The interviewees are from different backgrounds and of diverse political persuasions The book is important for current and future leaders of higher education institutions as it provides insights into the thinking aspirations desires fears and modus operandi of student leaders Such insight can contribute to developing and implementing appropriate strategies for achieving meaningful and constructive engagement with current and future student leaders **Trading Justice for Peace?** Sigríður Guðmarsdóttir,Paulette Regan,Demaine Solomons,2022-03-01 Conflict in its various manifestations continues to be a defining feature in many places throughout the world In an attempt to address such conflict various forms of a Truth and Reconciliation Commission TRC have been introduced to facilitate the transition from social conflict to a new dispensation The introduction and subsequent proceedings of TRCs in South Africa Canada and Norway are widely regarded as good examples of this approach Against this background a number of researchers from VID Specialized University and the University of the Western Cape had an exploratory meeting in Oslo in 2018 where the possibility for a joint research project under the broad theme of discourses on reconciliation was first discussed This led to two further research symposia in Cape Town and Troms in 2019 With the inclusion of specialists working on the Canadian Truth and Reconciliation process these meetings demonstrated common ground and a shared understanding of the issues at stake Moreover it pointed to the differences between the South African Canadian and Norwegian Commissions In comparing the South African Canadian and Norwegian experiences researchers identified that these countries were in fact at different stages of their respective truth and reconciliation processes This has prompted scholars to revisit and problematise these processes in relation to ongoing societal challenges In all cases it is quite apparent that reconciliation between individuals and groups remains a significant challenge Multilingual Youth Practices in Computer Mediated Communication Cecelia Cutler,Unn Røyneland,2018-09-20 With an eye to the playful reflexive self conscious ways in which global youth engage with each other online this volume analyzes user generated data from these interactions to show how communication technologies and multilingual resources are deployed to project local as well as trans local orientations With examples from a range of multilingual settings each author explores how youth exploit the creative heteroglossic potential of their linguistic repertoires from rudimentary

attempts to engage with others in a second language to hybrid multilingual practices Often their linguistic orthographic and stylistic choices challenge linguistic purity and prescriptive correctness yet in other cases their utterances constitute language policing linking standardness or correctness to piety trans local affiliation or national belonging Written for advanced undergraduates postgraduates and researchers in linguistics applied linguistics education and media and communication studies this volume is a timely and readymade resource for researching online multilingualism with a range of methodologies and perspectives

Unlocking the chains of knowledge Monwabisi K Ralarala, Suren Pillay, Zannie Bock, Russell H. Kaschula, 2025-02-28 Unlocking the chains of knowledge Understanding the challenges remaking pedagogies and curriculum renewal addresses the complex yet imperative task of reshaping the colonial legacy embedded within South African higher education and beyond The book confronts the historical and ideological bindings that have entrenched European centric knowledge within the fabric of academia in Africa propelling a transformative journey within the Arts and Humanities At its core this work presents a tripartite focus firstly understanding the deep seated issues ingrained in the traditional university structure secondly remaking pedagogical practices and lastly renewing the curriculum Recognising the historical dominance of Eurocentric ideas the book explores various movements theories and practices from negritude to postcolonial theory aiming to emancipate and amplify the voices and knowledge of those historically excluded With a commitment to a pluralistic approach the book scrutinises the power dynamics of language the importance of diverse perspectives and the challenging task of inclusion without replicating the divisive structures of the past Prof Christine Winberg Research Chair in Work integrated Learning Cape Peninsula University of Technology In Unlocking the chains of knowledge Understanding the challenges remaking pedagogies and curriculum renewal the editors provide a decisive and detailed reflection and profound understanding of complexities of knowledge generation in Southern Africa Unlike many volumes that address these intricate complexities this volume not only navigates the intricate complexities of the long history of epistemic injustices and intolerance in the Southern African higher education environment but delves deeper into the core of what is required for curriculum transformation and renewal The groundbreaking volume addresses the urgent need for linguistic inclusivity consciousness about decoloniality as well as embedding social justice in South African and Zimbabwean education and by doing so presents strategies that can be used by the rest of the African continent in addressing the scourge of coloniality Prof Pamela Maseko Executive Dean Faculty of Humanities Nelson Mandela University

The Migrant's Paradox Suzanne M. Hall, 2021-03-16 Connects global migration with urban marginalization exploring how race maps onto place across the globe state and street In this richly observed account of migrant shopkeepers in five cities in the United Kingdom Suzanne Hall examines the brutal contradictions of sovereignty and capitalism in the formation of street livelihoods in the urban margins Hall locates The Migrant s Paradox on streets in the far flung parts of de industrialized peripheries where jobs are hard to come by and the impacts of historic state underinvestment are deeply felt Drawing on hundreds of in person interviews on streets in Birmingham Bristol Leicester London and Manchester Hall brings together histories of colonization with current forms of coloniality Her six year project spans the combined impacts of the 2008 financial crisis austerity governance punitive immigration laws and the Brexit Referendum and processes of state sanctioned regeneration She incorporates the spaces of shops conference halls and planning offices to capture how official border talk overlaps with everyday formations of work and belonging on the street Original and ambitious Hall s work complicates understandings of migrants demonstrating how migrant journeys and claims to space illuminate the relations between global displacement and urban emplacement In articulating a citizenship of the edge as an adaptive and audacious mode of belonging she shows how sovereignty and inequality are maintained and refuted Nancy Fraser and Participatory

Parity Vivienne Bozalek, Dorothee Hölscher, Michalinos Zembylas, 2020-05-17 Nancy Fraser and Participatory Parity provides a philosophical framework based on the work of Nancy Fraser examining how her ideas can be used to analyse contemporary issues in higher education and reimagine higher education practices Providing a forum for considering Fraser's work in relation to participatory parity in higher education the book shows how her political philosophy is relevant to higher education pedagogies scholarship and practice The recent student protests in South Africa in 2015 and 2016 has created an impetus to think about how to do things differently in higher education in response to economic cultural and political inequities This South African experience is aptly used as a prime example of rethinking issues of coloniality and social injustice in higher education The contributors use of Nancy Fraser's theories provides their analyses and reflections with a particularly sharp lens and clear focus The book also puts her work into conversation with other contemporary writers on social justice and explores the resonances and differentiations of the various approaches This book will be of great interest for academics researchers and post graduate students in the fields of social justice in education and educational policy

#RhodesMustFall B. Nyamnjoh, 2016-04-18 This book on rights entitlements and citizenship in post apartheid South Africa shows how the playing field has not been as levelled as presumed by some and how racism and its benefits persist Through everyday interactions and experiences of university students and professors it explores the question of race in a context still plagued by remnants of apartheid inequality and perceptions of inferiority and inadequacy among the majority black population In education black voices and concerns go largely unheard as circles of privilege are continually regenerated and added onto a layered and deep history of cultivation of black pain These issues are examined against the backdrop of organised student protests sweeping through the country's universities with a renewed clamour for transformation around a rallying cry of Black Lives Matter The nuanced complexity of this insightful analysis of the Rhodes Must Fall movement elicits compelling questions about the attractions and dangers of exclusionary articulations of belonging What could a grand imperialist like the stripling Uitlander or foreigner of yesteryear Sir Cecil John Rhodes possibly have in common with the present day nimble footed makwerekwere from Africa north of the Limpopo The answer Nyamnjoh suggests is to be found in how human mobility relentlessly tests the boundaries of citizenship

Uwc Undergraduate Application Form 2015 Introduction

In today's digital age, the availability of Uwc Undergraduate Application Form 2015 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Uwc Undergraduate Application Form 2015 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Uwc Undergraduate Application Form 2015 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Uwc Undergraduate Application Form 2015 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Uwc Undergraduate Application Form 2015 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Uwc Undergraduate Application Form 2015 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Uwc Undergraduate Application Form 2015 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Uwc Undergraduate Application Form 2015 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Uwc Undergraduate Application Form 2015 books and manuals for download and embark on your journey of knowledge?
